

**A DETAILED CRIME REPORT
PROPOSED TERMS OF REFERENCE
FOR THE PUBLIC INQUIRY INTO THE
GRENFELL TOWER FIRE**

Dear Grenfell Fire Public Inquiry Panel,

INTRODUCTION

We, Cousins Seven and Roni Nicholas deliver this detailed Crime Report on behalf of our family members the direct relatives of two resident's who died inside Grenfell Tower. Namely, our aunt Marjorie Vital aged 68 and our cousin Ernie Vital aged 47. They both resided on the 16th floor flat 162 of Grenfell Tower, where they lived for 41 years. View 6:00 time of video link. <https://www.youtube.com/watch?v=hul6xeJrm9I>

- 1) We make the following propositions in the form of a detailed crime report in relation to the Grenfell Fire Inquiry, because our aunt and cousin as residents of Grenfell Tower are no-longer able to speak for themselves. Although our obvious concern is about whom and what caused the deaths to our family members inside Grenfell Tower, we are also submitting the evidence with propositions on behalf of everyone who died and escaped Grenfell Tower fire, as well as for the wider community and global public at large.
- 2) Our main overall objective is to share our findings and insights with the aim of ensuring the prevention of such evils from ever being perpetrated again. Because the evidence uncovered prove that there is a very real serious immediate threat of more horrific atrocities being committed again, if the Inquiry does not immediately act fast to ensure the mass publics protection based on the evidence we are providing.

PRESS SINGLING OUT OUR AUNT IN PRESS ABOUT 9-11 TERROR ATTACK INVESTIGATIONS TEAM.

- 3) We have been particularly disturbed about the bizarre featured press coverage specifically of our aunt Marjorie Vital who was obviously singled out in relation to the 9-11 Terrorist Attack investigations team. Why? They even blatantly deliberately changed the floor number that our aunt and cousin lived on at Grenfell Tower, from the 16th floor to the 19th which was grossly out of order. We want this Inquiry to order investigations to ascertain exactly who ordered the press to do that. View on 15:59 time of video link <https://www.youtube.com/watch?v=hul6xeJrm9I>
- 4) Since the fire, we have conducted our own investigations and Inquiry, together with others who have also been directly affected. We have already examined vast amounts of evidence and also listened to countless live witness testimonies gathered from hundreds of people around the world. It is from this position that we produce this detailed crime report to make the following propositions.

THE REPORT ON OUR PROPOSITIONS

- 1) Please find our report detailing our propositions to widen the scope of the 'Terms of Reference' and Remit into the Grenfell Tower fire Public Inquiry as a Matter of Urgency.
1. Terms of Reference
2. Proposition
3. Remit
4. Causal Links
5. Recommendations
6. Conclusions
7. Participation

TERMS OF REFERENCE – OUR PROPOSED TERMS OF REFERENCE

- 1) Even though we, like the majority of survivors, residents, and other relatives, who like us, also have family members who were gruesomely mass murdered inside Grenfell Tower, sadly we have absolutely no faith whatsoever that this Inquiry, which we feel is not being publically led, will on its own produce any results in respect of our getting Justice.
- 2) This is why people around the UK and rest of the world have been investigating the situation ourselves. Although we have no trust whatsoever in the current system, because it has always brutalized us and let us down, it is our hope that the prima facie evidence we submit will convince this Public Inquiry that there is a urgent need to redefine the current 'terms of reference' to widen the scoop and remit to include and apply more fitting areas of law that take into account of the magnitude of the unprecedented horror that occurred with the Grenfell Tower fire situation.

WHY WE ARE URGENTLY SUBMITTING OUR OWN PUBLIC INQUIRY INVESTIGATIONS FINDINGS AND PRIMA FACIE EVIDENCE

- 3) It is only on the advice of a lawyer and good friend who also almost perished inside Grenfell Tower, that we are now submitting our urgent 'Prima Facie' evidence, gathered from investigations that has been expertly compiled from many first class researchers, investigators, and investigative journalist reporters from around the world, besides ourselves

- 4) We feel this way, because of the appalling, abusive exploitative, cruel, barbaric, unjust, corrupt criminal ways that our cousin Seven and many other friends have been treated in general, not just in terms of the horrific way our aunt and cousin were brutally murdered inside Grenfell Tower.
- 5) We emphasise '*murdered*', because after meticulously examining vast amounts of evidence and countless eye witness testimonies during our own fact finding investigations, the facts prove very clearly, that what took place on the night of 13th into early hours of 14th June 2017 at Grenfell Tower, was undeniably a mass murder and a crime against humanity of mammoth proportions. This was the most wicked, brutal, vicious and cowardly act of evil and domestic terrorism ever committed in the United Kingdom.

14 YEARS OF EXPERIENCING DANGEROUS DOMESTIC TERRORIST CRIMES WITHOUT GETTING ANY POLICE OR JUDICIAL INTERVENTION

- 6) Based on our own firsthand personal historical experiences dealing with countless horrors ourselves and our appeals for police intervention falling upon deaf ears in the last 14 years, given they have '*never done anything*' to stop the serious dangerous domestic terrorist crimes happening to us, we don't expect them to care about us now either. Please also take note that we have already spent many years going through the entire judicial process via the British 'Royal Courts Of Justice' system and won, yet 14 years later, are no closer to attaining relief, remedy or justice dealing with these same historical domestic terrorist crimes on account of extreme corruption. Evidence of those particular court proceedings with case reference numbers and courtroom audios will also be produced as exhibits of evidence further on with our propositions herein.
- 7) This is why we have very little trust in this Inquiry process or system, but we are taking the time and trouble to make these propositions, in the hope that, by some small miracle, there will be a few open hearts in the inquiry or within the public reading this, who will have enough human decency, compassion or concern, if not for us, but for themselves and their own loved ones, to at least give us a fair hearing. Enough to recognise the importance and dire urgent need to act fast to do something positive in favour of protecting all of us who are being severely brutally grossly abused.
- 8) The evidence and live testimonies that we have already examined, prove that the hundreds of innocent people/members of the public who were residents, just living their lives otherwise peacefully inside the Grenfell Tower block, including our aunt Marjorie Vital, and cousin Ernie Vital, were most certainly, without a shadow of doubt, all specifically targeted to be horrifically murdered, for this evil to be broadcasted around the world in a real life snuff horror movie.

ON BEHALF OF OUR FAMILY MEMBERS WHO WERE GRENFELL RESIDENTS WHO WERE ALSO MURDERED

- 9) For 14 years, we have suffered in unimaginable ways firsthand at the hands of evil domestic terror loving people, so now have extensive knowledge and insight about their crimes against humanity.
- 10) For 14 years, we have been campaigning tirelessly to stop and shut down the notorious crime ring of the ringleaders, so we are no strangers to the lawlessness and corruption that has already been factually going on behind closed doors for well over a decade completely unchecked. The remains of the Grenfell Tower building now stands forever as a living monument, testament and reminder of this evil and what could have so easily been prevented well over a decade ago.
- 11) After combing through literally hundreds, if not thousands of pieces of evidence and eye witness testimonies, connecting the causal links to find out what factually happened to our aunt and cousin, we now have a fairly good idea, and it is a very far cry from the nonsense lies being peddled as truth broadcasted on mainstream Associated TV networks. For very obvious reasons.
- 12) The evidence clearly reveals that the entire Grenfell Tower situation was '*deliberately*' pre-engineered to ensure that the residents were maliciously, viciously and violently '*forced*' to endure the most horrific form of psychological terror, torture and death imaginable, whilst we, family members, relatives, loved ones, friends, residents living or working in the area, neighbours, passersby and the rest of the world all watched on in horror, as we witnessed people jump and others throw their babies out from their windows in sheer desperation, as we were all helpless to do anything to rescue them or put out the raging massive scale inferno.

PROPOSITION - URGENT REASONS TO WIDEN THE SCOPE AND REMIT OF THIS PUBLIC INQUIRY

- 1) There are key separate specific areas of extreme unprecedented criminality that took place to cause the Grenfell Tower Fire and mass murders, and Key specific areas how victims/survivors have been severely affected as a direct result. Therefore, this inquiry needs to widen and expand the remit to appropriately address the criminals, the crimes and also what is being done to the survivors.

URGENT REASONS TO REPLACE CORPORATE MANSLAUGHTER CHARGE WITH MULTIPLE CRIMINAL CHARGES

- 2) This Inquiry urgently needs to also widen the terms of reference, scope and remit to take into full account the extremely diabolical level of the unprecedented premeditated evil and violent nature of the crimes that were committed.

- 3) This was an unprecedented horror of extreme domestic terrorism and a highly organised crime on the most extreme and horrific end of the spectrum in respect of law
- 4) This crime has had a far reaching, extremely traumatic and devastating damaging impact, not only on the direct victims, survivors, families, relatives, friends, neighbours, colleagues, local residents etc but also the wider world.
- 5) What we all witnessed done to our relatives at Grenfell Tower, has been deeply disturbing, traumatizing and damaging psychologically and emotionally to the entire world.
- 6) Therefore, the charge of '**Corporate Manslaughter**' does not apply. **A Corporation cannot 'mass murder living people' only other 'living people' can.**

URGENT REASONS TO WIDEN INQUIRY SCOPE TO ARREST AND SHUT DOWN THE TERRORIST CRIME RING BEHIND GRENFELL TOWER FIRE

- 7) We are not dealing with a bunch of incompetent, negligent penny pinching councillors working at RBKC and the KCTMO management company, who were careless, trying to save money and make the building look pretty by covering it in highly flammable, highly toxic '**banned**' illegal cladding, who completely ignored the residents warnings about the potential dangers of a risk of fire because they all didn't know what they were doing. That's a blatant lie. It is much deeper and more sinister than that.

WHAT WE HAVE LEARNED FROM RESIDENTS EYE WITNESS TESTIMONIES SO FAR

- 1) Eye witnesses have said they saw a group of men running in the opposite direction of the Grenfell Tower building wearing secret service clothing directly after the fire had started. This urgently needs to be investigated with CCTV footage collected to identify these men.
- 2) Residents have stated that there was a lot of suspicious activity and meetings around the building two weeks before the fire. This urgently needs to be investigated with CCTV footage collected.
- 3) Residents have stated that they were visited by the Councillors (or the fire brigade?) two days before the fire and told "**if there is a fire to stay inside their flats**". This needs to be urgently investigated with CCTV footage collected to establish exactly who had visited the residents and told them that.
- 4) Residents have stated that a huge yellow gas pipes were dug up on Grenfell Road leading directly into Grenfell Tower just weeks before the inferno. This needs to be urgently investigated with CCTV footage collected to establish where these pipes are and exactly who ordered them.

- 5) Residents have stated that '*two fire exits were sealed*' during the works carried out on the building. Urgent investigations need to be done to find out exactly who ordered this to be done.
- 6) Residents have stated that they saw men tampering with the gas pipes outside the Grenfell Tower building just before the fire. CCTV footage needs to be collected to find out exactly who these men were, and whether gas pipes were tampered with.
- 7) If the gas pipes were tampered with, it may explain why some of the flames outside the building looked blue and purple during the Inferno. This needs to be urgently investigated with CCTV footage collected to check whether the blue and purple flames are in the same location that the gas pipes were tampered with.
- 8) Residents have stated that the 8 Million plus pounds spent on cladding the Grenfell Tower building was done to specifically make it unsafe and prepped to be burnt up. Urgent investigations are needed to ascertain who exactly paid for the unsafe refurbishments on the building, and exactly where this money came from to fund this massive criminal operation. Those who funded the prepping of the Grenfell Tower building urgently need to be arrested, investigated and prosecuted with jail sentences.
- 9) Residents have stated that Grenfell Tower was turned in a modern day gas chamber by members of the council who hold hate fuelled Nazi supremacist beliefs. This needs to be urgently investigated to establish whether or not any of the council are part of any Nazi organisations, cults or groups.
- 10) Residents have stated they want to know about the various applications made to demolish the Grenfell Tower building from 22nd May 2014 onwards.
- 11) Residents have stated that many residents were making their way' out of the building to escape the fire in the early stages, but were told to return back to their flats and stay inside. This needs to be urgently investigated with CCTV footage collected to establish who told the residents to do this, and whether these same residents are among those now deceased.
- 12) Residents have stated that the water supply was deliberately turned off on the upper floors during the height of when the inferno was raging; to ensure that there would be no chance of the upper floor resident's survival. This needs to be urgently investigated to establish exactly who ordered them to turn off the resident's water supply.
- 13) Residents have stated that it took a maximum of just fifteen minutes for the fire to engulf the entire building in a full scale raging inferno. This needs to be urgently investigated

- 14) Residents have stated that Fire Engines took up to two hours to arrive at the scene and when they did arrive, they found it difficult to get water. This needs to be urgently investigated.
- 15) Residents have stated that they were prevented from rescuing people, and that had it not been for heroic young Muslim men, who risked their lives to go into the burning building to try to alert and rescue residents, many more people would have perished. This needs to be urgently investigated with medals/awards of bravery given to honour the young men who risked their lives to rescue the residents.
- 16) Residents have stated that very little water was used to put out the inferno, that fire engines only had two small hoses that only reached a quarter of the way up the building, with no water at all used to put out the fire for the rest of the entire building. No water was used to put out the inferno from planes or helicopters above the building. This urgently needs to be investigated.
- 17) Residents have stated that some properties had up to 42 people in one flat and that Grenfell Tower Fire was being used to hide bodies from other crimes perpetrated elsewhere. This urgently needs to be investigated with CCTV footage collected to ascertain whether there is any truth to these allegations.
- 18) Residents at Grenfell Tower had written website blogs many years before the Inferno entitled '**playing with fire**' showing clearly that they all knew that their lives were in serious risk danger, so had tried desperately to appeal to the KCTMO management sense of conscience but their appeals fell on deaf ears.
- 19) Residents have stated they had done extensive prior research and produced prima facie material evidence about there being other fires at other Tower blocks that the KCTMO Company had managed. These other prior fires had apparently been started under equally sinister circumstances and that residents from other local Tower Blocks lives were only saved just in time by fire fighters. <https://grenfellactiongroup.wordpress.com/2016/11/20/kctmo-playing-with-fire/>
- 20) Resident's statements had described the KCTMO as an 'evil unprincipled Mafia cartel'. This is a very important key point for the Inquiry to pay attention to and specifically investigate. .
- 21) Residents have stated they were bullied, intimidated and terrorized by the KCTMO management company long before the Grenfell Tower fire. Just like is '*still*' being done to our cousin Seven, which has been going on for the last 14 years with no intervention despite over 75 police reports. <https://www.thesun.co.uk/news/3825791/women-feared-dead-in-grenfell-tower-disaster-were-threatened-with-legal-action-by-housing-bosses-after-raising-concerns-over-fire-safety-years-ago/>

- 23) www.thefarrellreport.net
- 24) Residents have stated that the council had changed the locks of a local community centre in the Ladbroke Grove/ Latimer road area where the relief effort was taking place to deliberately prevent victim/survivors from getting relief there. This needs to be urgently investigated to find out exactly who ordered the community centre caring for the survivors locks to be changed and why?
- 25) Residents have stated that the millions of pounds, food, clothing and other relief effort donations, provided by the general public's own pockets as charity for victim survivors have been deliberately withheld/stolen? from the survivors receiving them. This needs to be urgently investigated with a full account given to find out why the survivors supply's were taken locked away and withheld, and where these donations have since gone.
- 26) Residents have stated that victims/survivors were deliberately evicted in the middle of the night 2:am from hotels at short notice. This needs to be urgently investigated to ascertain who ordered for this to be done to them and why?
- 27) Residents have stated that despite millions of pounds being collected on the victim's/survivors behalf, that they were only given the humiliating miserly sum of just £10 each after losing everything with only a further £5000 plus pounds. This needs to be urgently investigated as to who exactly made this decision and why grown adults who have endured sheer torture was made to also be humiliated in this way after everything else they have endured.
- 28) Residents have stated they are being offered Tower Blocks as replacement housing accommodation after all they had just escaped being terrorized and tortured at Grenfell Tower. It needs to be urgently investigated who insensitively offered the Grenfell Tower fire residents Tower Blocks as replacement accommodation and why?
- 29) Residents have stated victim survivors are being deliberately moved out of the local area to isolate them. This needs to be urgently investigated to ensure that victim/survivors receive emergency replacement Identification to prevent them from becoming further vulnerable targets.
- 30) Residents have stated they were still being charged rent for the burnt up Grenfell Tower Block this needs to be urgently investigated to find out who was still charging them rent after being tortured and almost burnt alive. And Why?
- 31) Residents have stated being concerned and not knowing the whereabouts of children survivors. This needs to be urgently investigated to establish and

publish exactly to whose care and custody the children survivors have gone to find the best most suitable carers placements for them, if not with direct family members, then with fully vetted, caring members from the local community.

- 32) Residents have stated that children survivors were deliberately turned away from their schools like lepers without any compassion, because their school uniforms were burnt in the fire. This needs to be urgently investigated to establish who ordered for the children survivors to be turned away in such a cruel insensitive manner, so that such a thing is never allowed to happen again.
- 33) Residents have stated that the victim survivors have not received a penny from the fast selling mainstream Grenfell charity singles, events or productions claiming that they are on behalf of the victims. This needs to be urgently investigated to ascertain exactly who is collecting the money on behalf of the victim survivors as beneficiaries but are not handing these said donations over to the victim survivors. This money needs to be confiscated and returned back to the genuine Grenfell Tower victims/survivors.
- 34) Residents have asked who changed the Grenfell Tower building's Zurich Insurance policy, just 3 months before the Inferno; to Protector Foresking in order for them to 'specialize' in a massive claim for Human casualties.. The person/persons who did this must be urgently identified, named, arrested and immediately prosecuted and jailed.
- 35) Residents living with the neighbouring areas around Grenfell Tower have stated that they received threatening letters of legal action for ball games the day after the fire. This needs to be urgently investigated to find out exactly who ordered for these threatening legal letters to be sent out to threaten the residents legally directly after they were all traumatized watching their friends, relatives, neighbours mass murdered close up inside the Grenfell Inferno .
- 36) Residents have expressed absolute disgust at the deliberate withholding of the numbers of those murdered inside Grenfell Tower, and wish to know why they have not produced council tax, phone or internet account records in order to identify those murdered? The building housed over 600 people so why are we the people being blatantly lied to about how many were murdered?
- 37) Residents have stated survivors were still being charged rents for the burnt out Grenfell Tower. Who made the decision to continue to charge the victims/survivors rent after they were all deliberately made homeless in the most horrific way imaginable?
- 38) Residents and the whole world wants to know why has no-one been arrested for such an obvious major horrific crime against humanity? Who exactly is preventing the necessary arrests? Because that person or persons also needs to be immediately identified, removed, arrested and investigated on suspicion of complicity.

- 39) These witness testimonies alone, (there are literally tons of them all widely available) tells us all clearly that the Grenfell Tower fire was not caused by just a careless negligent, incompetent social housing management situation at all.
- 40) The evidence of the residents firsthand testimonies, proves that just like our cousin Seven is currently still experiencing, many people in the UK are also being terrorized, bullied and abused and have been so for many years without relief.
- 41) The Grenfell residents had been desperately campaigning and appealing for help for years because they were being bullied, threatened and terrorized long before the Grenfell Inferno occurred.
- 42) Grenfell Tower residents had been desperately appealing about their safety for years. They even had to resort to protesting outside the council offices, just to be able to live inside their homes in safe secure living conditions, as we all have the right to do.
- 43) Our rights to live in safety and securely inside our homes are specified within Articles 8 and 13 of the 1998 'Human Rights Act.' But these resident's rights, as well as these laws, were all deliberately ignored, in favour of residents being threatened to force them to submit and acquiesce to their own demise.
- 44) Everyone being able to live safely and securely within our homes should be a given. We should not have to show any of these monsters Human rights Articles stipulating our rights just to prove to these human animals that they do not have the right to murder hundreds of innocent people in horrific ways inside people's homes.
- 45) Straight off the back, this particular evidence alone, already gives us a clear picture and indication about the prior evils that the Grenfell residents had to contend with for years, just to prevent them exercising their God given rights to live safety and securely inside their homes. This evidence is very telling. It provides a clear back drop of the climate and '*brutal environment*' that the residents were all up against.
- 46) Residents who did not agree or comply to accept living in a death trap became marked men and women, and were sent threatening legal letters to beat them into submission.
- 47) The managers of the Grenfell Tower block refused to ensure that the residents lived in the building safely, because unbeknown to them, these residents had already been pre selected and targeted to be horrifically murdered inside Grenfell Tower by sadistic criminals who were meticulously already deeply engrossed in engineering the crime. So the Inquiry has to account for the fact that for many years, the Grenfell residents were also forced to endure non-stop threats and being brutalized even prior to these hundreds of residents being mass murders inside the Grenfell Tower.

THE CURRENT CLIMATE OF GROSS BULLYING, DOMESTIC TERROR AND TOTAL ABUSE OF RESIDENTS WITHIN THE ENTIRE UK HOUSING SECTOR

- 48) What we have seen being done to the Grenfell Tower residents is indicative of what is currently being done to our cousin Seven and countless other residents we know who live within Genesis Housing Group too. For a whole decade now we have been appealing for help to address the horrific Terror campaign directed at her at the building of her flat.
- 49) Instead of the management staff answering urgent messages left requesting help to stop the nonstop domestic terror campaign of illegal surveillance, gang-stalking, break ins, leaving scaffolding on the building without any notification or any works for years on end to induce psychological terror and harassment, even tampering with her water supply, they ignore us and would much rather leave people to rot. These are just a few examples of the inhumane living conditions people are being forced to endure now in the UK. That's why we film everything, you have to otherwise nobody would ever believe the sheer horrors people are being subjected to, because they remove records to keep the abuse covered up. View evidence on **pages 140-151** click **The Main Report** then click **The Final Report-** www.thefarrellreport.net
- 50) Since the murders of our aunt and cousin inside Grenfell, there is now the deliberate attempt to make Seven completely homeless by evicting her onto the streets altogether because she has demanded to be able to reside safely inside her property without attempts to murder her.
- 51) She has been forced to flee to safety and having to sleep on friends sofas, which is very unpleasant. When you examine the evidence of what is being done to Seven, you will see clear parallels of what had been done to the Grenfell Tower residents for years before they were all mass murdered. It has got so bad that people have done international global appeals to help Seven from all around the world for years now too. Because in the UK, residents nationwide are being treated appallingly.
- 52) Since 2010 Genesis have owed thousands of pounds in compensation because of the cruel torturous abuse that Seven has endured for over a decade, but 7 years later they still have not paid up. Had they paid already, she would have left their property years ago. You have to battle these people for what they all know you are entitled to, because these are sick psychopathic people who actually enjoy abusing people. Fact!
- 53) The Grenfell fire had nothing to do with people being poor, that's a load of rubbish. The abuse of residents in the UK is not only happening in the social housing sector. We know about other horrific cases in the private sector whereby men have turned up with chainsaws to steal wealthy friend's properties as well. They are stealing our wealth to make us who would otherwise be very affluent highly professional successful people, intentionally poor. There is outright mafia style targeting of individuals/residents to steal

and sell off people's property both land and intellectual property. This is what is being done to our cousin Seven and countless others we know.

54)Thieves have targeted and been terrorizing Seven for 14 years just to steal and racketeer with her Intellectual Property internationally, because there is a culture of the open theft of other people's property going on rife in the UK. It is this culture of greed, lawlessness, property theft and land grabbing by criminal means that is behind the Grenfell fire, but it does not stop there, it is much more sinister, sadistic and evil than just mafia thugs wanting to land grab.

55)The changing of the insurance claim policy just 3 months before the Grenfell fire, to a company and policy that '*specialised*' in human casualties alone proves that something much deeper, sinister and foul was going on.

WIDESPREAD EXTREME ABUSE OF UK RESIDENTS IN BOTH SOCIAL & PRIVATE HOUSING SECTORS NOW AT EPIDEMIC PROPORTIONS

56)The Inquiry must take into account that the exact same types of abuse that was done to the Grenfell Tower residents prior to the fire, is also happening to people nationwide right across the UK. For example, in another case, (there are literally thousands) a friend who is also a long suffering Genesis resident who also almost died inside Grenfell Tower because she too was forced to flee from her Genesis flat, after also suffering a 10 year plus nightmare being abused as a resident. She was deliberately left without '*any*' water or heating inside the property for 'two years'. Can you imagine they are forcing residents to live for two whole years without one single drop of water to wash, clean, cook or do anything! There was not even water inside her lavatory.

57)This particular resident, just like Seven, the residents at Grenfell Tower and thousands of others up and down the country, has had to battle for years to appeal to these Landlords sense of common decency. But there is none. Residents are being deliberately ignored. They don't care how people are being treated.

58)Can you imagine that things are so bad for Genesis residents that this woman was fleeing for her safety by going to stay with a friend inside Grenfell Tower? Which we all now know was a death trap. That tells you the dire criminal lawless state of affairs now in the UK. Fortunately, because of divine providence, she did not make it in time to stay at Grenfell, because if she had, she too would have also been burnt alive on the 23rd floor, along with her friend and her friend's two young children.

NOTORIOUS DOMESTIC TERRORIST CRIME SYNDICATE TARGETING PEOPLE BEHIND GRENFELL FIRE IT IS NOT JUST RBKC AND THE KCTMO

59)To properly address and resolve the horrors behind Grenfell fire, this Public Inquiry has to urgently widen the scope to account for the fact that we are factually dealing with a notorious very well known, fully established extremely evil crime syndicate who have been targeting innocent people/residents inside people's homes for years.

60)The evidence we have uncovered, which we will provide herein, proves without a shadow of doubt, that it is the same crime syndicate who have targeted our cousin Seven, who also targeted the residents at Grenfell Tower.

61)These ringleaders already have a long track record of committing other horrific domestic terrorist atrocities, whereby countless other innocent people/members of the public have also been targeted robbed, terrorized, psychologically tortured and brutally murdered also in horrific ways.

CRIME SYNDICATE RINGLEADERS ARE THE SECRET HEADS BEHIND THE GRENFELL TOWER FIRE AND A HIERACHICAL PYRAMID STRUCTURE

62)This crime ring has a pyramid structure with those on the highest levels operating in a clandestine capacity from the shadows. The concealed ringleaders are 'the order givers' and are referred to as being part of the 'deep state'.

63)What we know is that the crime syndicate ringleaders who are behind the Grenfell Tower inferno and countless other heinous crimes against humanity operate as '*order givers*' and '*architects of evil*' operating at the very extreme top upper levels of the pyramid structure, controlling people and crimes in a clandestine capacity from above. The '*order followers*' (those who take the ringleaders orders) operate on the lower ranking levels and carry out the ringleaders commands from below.

64)Those on the highest levels of the criminal gang, engineer the crimes, and those on the lower levels, just follow the orders and work for a pay check and possibly don't even know who those giving the orders actually all are.

65)But we do, because we have been exposing them and their diabolical evil domestic terrorist crimes and gang for the last 14 years. This is the aforementioned case we spoke about winning in the outset, which as we said before, we will also provide evidence for this Public Inquiry later on herein.

66)In order for everyone to gain additional insight into understanding exactly how the crime rings hierarchical pyramid system functions, and what is involved, please watch the witness testimony of whistleblower Banker Roland Bernard who provides an invaluable witness account of how the crime syndicate's ringleader's pyramid system and structure actually works in regards to their crimes: <https://www.youtube.com/watch?v=hYZIODJ999s>

67)For this reason this Public Inquiry needs to urgently redefine the 'terms of reference' to widen the scope to address the fact that we are factually dealing with a much wider, much more sinister domestic terrorist criminal situation than the Inquiry's Terms of reference and scope has accommodated for.

LIST OF CRIMES AND INDUSTRIES INFILTRATED BY THE CRIME SYNDICATE RINGLEADERS

68)The Public Inquiry has to immediately address the fact that we are dealing with people who have very cruel sadistic psychopathic evil satanic beliefs, that have infiltrated and usurped all sorts of public and official departments and offices and are deeply involved in the following:

- a) Industrial scale Organised Crime
- b) Industrial scale Racketeering
- c) Industrial scale Espionage
- d) Running Targeting and Gang stalking of Individuals
- e) Running Slave Trading operations
- f) Running Computer Hacking/ Wire tapping operations
- g) Running horrific Domestic Terrorism operations
- h) Running horrific psychological terror & torture ops
- i) Running bribery and corruption of Police, Courts and the judiciary.
- j) Running horrific abuse from public departments
- k) Running horrific abuse of Military programs
- l) Running horrific abuse of Intelligence agencies
- m) Running horrific abuse of Telecommunications
- n) Running horrific abuse of Housing sector
- o) Running horrific abuse of Mainstream Associated TV networks
- p) Running horrific abuse of Hollywood and Entertainment industries
- q) Running horrific abuse of Publishing Houses
- r) Running horrific abuse of Art, Tech, Trade and Patent industries
- s) Running horrific abuse of Fashion and Design industries
- t) Running horrific abuse of Law firms
- u) Running horrific abuse of Banking industries. .
- v) Running horrific abuse of Universities
- w) Running horrific abuse All over 'UK' and 'Globally'

SCOTLAND YARD POLICE REPORT OPERATION TIBERIOUS ABOUT CRIMINAL GANGS INFILTRATION OF THE ENTIRE JUDICARY

69)The press reported that Scotland Yard had written a special report about the fact that the entire judiciary has long since been taken over by criminal gangs. The report is called 'Operation Tiberious' which was reported by all the mainstream press several years ago.

70)So the gross level of corruption that created the Grenfell Tower inferno has not been a secret to anyone. The UK is actually now considered the main corruption hub and capital of the world. It's literally everywhere we go now. Link below to press report on 'Operation Tiberious'

<http://www.independent.co.uk/news/uk/crime/revealed-how-gangs-used-the-freemasons-to-corrupt-police-9054670.html>

HOW THE GRENFELL TOWER CRIME/MASS MURDERS HAS IMPACTED ON US DIRECTLY

71) As we have said, cousin Seven has been on the receiving end of domestic terrorism evils for 14 years by the very same ringleaders also behind the Grenfell Tower inferno. Police have not done one single thing whatsoever to stop it or arrest the crime syndicate ringleaders because as Scotland Yard's Operation Tiberious' report stated, these evil criminal gangs have literally infiltrated everywhere now and infected every place they go with lawlessness, corruption and evil. LIES, DEFAMATION AND ABUSE WHEN REPORTING AUNT AND COUSIN MISSING AT GRENFELL FIRE AND COUSIN SEVEN'S LIFE BEING IN DANGER

72)When it was reported that our aunt Marjorie Vital and cousin Ernie were missing from Grenfell Tower, and that our cousin Seven's life was in immediate danger too by the same crime ring behind those atrocities, police officers tried to pretend that nothing had happened to our aunt Marjorie and cousin Ernie and that our cousin Seven was just making it all up. This was a very cruel heartless thing to do when victims are factually being, targeted, terrorized and grossly abused.

73)Our cousin Roni can't even tell his mother, that her sister Marjorie was murdered in the fire because he does not know how such horrible news will impact on her. She still thinks Marjorie is hospital with other survivors.

CRIME FILE LOGS DOCTORED AND REPLACED WITH OUTRAGEOUS LIES TO PREVENT ARRESTS & CRIMINAL CHARGES OF RINGLEADERS

74)Basically, someone has been doctoring our police crime file logs to make it '*appear*' that our cousin Seven has mental issues after not only Seven, but many of us who are also direct witnesses have all been reporting the crimes of the crime syndicate ringleaders for over a decade over and over. They even tried to run us over after we left the police station.

75)The truth and the reality of the matter is, someone has been deliberately changing the data entry's and replacing our genuine police crime file reported logs with outright lies, to help the ringleaders to keep their criminal activities ongoing, even though they obviously all know these ringleaders are all extremely insane highly disturbed people. The ringleaders have even gloated about being total psychopaths. So it says a lot about the sorry dire state of lawless affairs in the UK, when the police prefer to help protect evil psychopathic domestic terrorists, rather than help the innocent members of the public who are being openly targeted, terrorized by them.

PROOF ABOUT KEY CRIME SYNDICATE RINGLEADERS AT 'VIRGIN MEDIA' ABUSING UK POLICE SERVICES

- 76) There are press reports that ringleaders in our case from the highly sinister corrupt company '**Virgin Media**' have been paying the police for years, which is no secret to anyone. The crime syndicate ringleaders boast about having 'fixers' everywhere. That is how and why their crimes always get covered up. The cover up cannot happen this time. The truth of all of this crime rings evils will all come out now.
- 77) Sadly, the police are protecting criminal usurpers who are paying them from money that does not even belong to these ringleaders in the first place. They have stolen the monies from us, so have no rights to it whatsoever. This is the real reason for their terror campaign against our cousin Seven, because they don't want to have to pay the money they have stolen from 14 years racketeering with her work <http://www.telegraph.co.uk/news/uknews/law-and-order/9046679/Virgin-Media-secretly-pays-police-for-fraud-investigation.html>
- 78) We know that corrupt officers at the Paddington Green Police Station London have been helping this crime ring for years. You never know, maybe these officers are also being threatened and terrorized by the crime syndicate ringleader bosses too? Maybe that is why they are not helping us or the public? Maybe they are all too afraid to arrest and prosecute the ringleaders? That would explain why we have received absolutely no assistance from the police whatsoever in 14 years. They definitely know we are telling the truth because a police officer named Stallard once called to tell Seven to keep quiet about the crimes happening to her and yelled down the phone "**nothing would be reported or investigated**" before slamming the phone down. If police officers are also being terrorized by the ringleaders, the inquiry must intervene to protect everyone who is being terrorized by these crime ring bosses. They must be stopped now. No ifs or buts about it.
- 79) Make no mistake here, '**Virgin media**' (formerly the highly corrupt criminal sinister company NTL) are '**not a legitimate company**' they are running a domestic terrorist slave trading crime syndicate from their offices. That is a fact! Once you take a look at all the evidence and exhibits we are producing from our own court case you will see that this is absolutely the truth. This company needs to be immediately shut down and investigated.
- 80) If the police would have followed the rules of law and arrested and jailed the crime syndicate ringleaders like they were supposed to have done 14 years ago, we would happily have paid the police the same money that they are illegally receiving from the criminal ringleaders, '**to protect the public**' and it would have been all totally lawful above board because we are the rightful owners of the money. The ringleaders are not in any position to pay anyone because the monies they are paying people with is not theirs it is all stolen. We honestly believe that the police should be paid a much higher salary to be able to legitimately risk their lives protecting all members of the public from such maniacs. We pray after Grenfell, they will all see clearly that it is unwise to continue protecting these insane evil ringleaders anymore.

81)The truth about their evil crimes is being exposed because it's the only way to stop the lunatics now. They need mental help. All whistleblowers need to be protected to able to come forward now. Just like the whistle blower Banker Roland Bernard has done.

HORRIFIC SMEAR CAMPAIGN OF DECEIT BEING DONE TO GENUINE TARGETED VICTIMS

82)They have gone over and beyond to smear and defame our cousin Seven who is a genuine victim and honest highly respectable and respected woman. This is what they are doing to discredit genuine victims who are telling the truth. But the truth speaks volumes for itself because it is backed up by tons of evidence, so it cannot be silenced by evil criminal's lies.

83) When we first tried to find out what happened to our aunt Marjorie and cousin Ernie, they 'deliberately' kept Seven on hold on the phone for ages, just to further try to torture us. In the UK, victims are punished, while those who commit the most evil horrific atrocities are given all the consideration, all the respect and all the protection in the world.

84)There is an open culture of treating victims like absolute trash in the UK and abusing us nonstop. Just look at the horrors Grenfell survivors who escaped the fire have since been subjected to. This is typical. It honestly appears from what we have experienced, there is utter contempt for all victims and a love for criminal domestic terrorists.

85)It honestly seems like the more evil people do, the more they are honoured and revered. If you speak to most victims across the UK they will all tell you exactly the same thing. The abuse victims are subjected to in the UK, is actually classified as torture under the Geneva Convention. What's even worse, we are not supposed to speak about it, we are just supposed to suck it up and endure a life subjected to torturous hell, exploitation, misery and abuse day in day out.

OUR BAD EXPERIENCE WITH GRENFELL TOWER EMERGENCY HELP LINE AND NOT BEING INFORMED OUR AUNT WAS CONFIRMED DEAD BY POLICE.

86)Although the emergency help line number we called eventually gave us two reference numbers and said they would call back as soon as they had news, they have never once called back since, right up until now. Not a word. We had to be informed by friends and other family members, that our aunt had been formerly identified and confirmed among those murdered inside Grenfell Tower. They didn't even have the common courtesy to let us know directly.

87) Then they suspiciously singled out our aunt Marjorie's photo and heavily featured just her as the Grenfell Tower poster child, aside from all the other Grenfell Tower victims.They blasted her photo all over mainstream press together with the 9-11 Terror Attack investigations Team story.

- 88) Even when we just searched 'Grenfell Tower' online her face automatically came up. Someone clearly arranged for this to be done. This urgently needs to be investigated.
- 89) They were also quick to change the floor number that she lived on as we said before, from the 16th floor to the 19th floor when they obviously all know that she was living on the 16th Floor. Clearly they knew she was living on the 16th floor, because they had shown the correct floor in other press reports, so why did they suddenly decide to change the floor number that she lived on?
- 90) They had just identified her as dead inside her flat on the 16th floor so it is deeply suspicious that the press changed her floor number. Whoever did this is either connected to the crime syndicate ringleaders, or directly from the crime syndicate in our case.
- 91) The crime syndicate ringleaders are running amuck promoting their evil crimes from inside Associated TV networks, so we are not at all surprised to see how they are abusing our aunt's image. We know there are good journalists inside these networks who don't like what is going on either, but they need to be courageous enough to report the truth to let the world know what is happening. If they can't tell the truth, they should leave and whistle blow independently.
- 92) We know that they changed that our aunt lived on the 16th floor because Seven is a direct victim of ringleaders who have totally usurped mainstream media, and are desperately trying to conceal the massive case we won called '**Seven versus Gossage and Nine others** now referred to as the '**SevenGate**' *terrorist crime ring*', From herein, we will refer the crime syndicate ringleaders as SevenGate.

ATTEMPTS TO MURDER OUR COUSIN SEVEN AFTER GRENFELL FIRE TO CONCEAL CRIMES BY THE CRIME SYNDICATE RINGLEADERS QUIET

- 93) After Grenfell they tried to murder our cousin Seven again to stop her from speaking about the horrific crimes they have been doing for decades.
- 94) A few days after Grenfell fire, while our cousin and other family members were all frantically trying to find out what happened to our aunt calling the emergency hotline numbers, there were men in black SUV's waiting outside the house we believe they were sent by the crime ring to assassinate Seven. Eye witnesses saw these men and it was obvious what their intention was.
- 95) Friends even went back to the police to get help, but once again they just said my cousin was making it all up, while these secret service looking men were factually waiting outside the building for days. That is how we have been affected. It's been a nightmare to say the least.

TWO FEMALE GRENFELL RESIDENTS WHO CAMPAIGNED TO LIVE IN SAFETY WERE ALSO BULLIED, THREATENED AND ARE NOW DEAD

96) Just look how appallingly they treated the two beautiful ladies who were Grenfell residents who were also forced to speak out and protest because they also just wanted to live in safety inside their flats. This is what they are reducing people to have to do. Nobody wants to have spend their time protesting and campaigning for our safety, but we will not stay quiet and let these evil people murder any more of us. These women were hero's who did everything to protect all the other Grenfell residents. This shows that Grenfell was also a hate crime of monstrous proportions against innocent people who posed no threat to anyone. <http://www.independent.co.uk/news/uk/home-news/grenfell-tower-fire-london-dead-legal-action-campaign-fire-safety-mariem-elgwahry-nadia-choucair-a7795586.html>

97) Our Aunt Marjorie and Cousin Ernie never even protested or campaigned but they were still brutally trapped inside the Grenfell Tower building and murdered too. So you're damned if you do protest and equally damned even when you don't. That's how dire things are for people living in the UK.

OUR NIGHTMARES BEFORE GRENFELL TOWER WITH THE SAME CRIME RINGLEADERS BEHIND GRENFELL TOWER FIRE

98) This is not the first time for us. We have gone through a similar nightmare before, but at that time it was during the 7/7 London attacks in 2005 whereby on that occasion, our cousin Seven had to go into hiding for 3 months because they tried to murder her back then too. Roni had to smuggle her to Notting Hill Police station in the middle of the night. This was the same time that our court case was supposed to start against the SevenGate crime syndicate ringleaders. So our aunt and cousin now being murdered inside Grenfell fire is actually the extension of an extreme nightmare that has not ended for us in 14 years. We are all sick of it!

99) We will also leave links with these propositions of the detailed interview series about what happened at that time. There is already a detailed video series about it with Judge Alfred Webre and also a comprehensive report on the case by expert criminal intelligence analyst Tony Farrell so that you can see for yourselves what we have already been put through by this evil crime ring for years. www.thefarrellreport.net view previous crimes reported and ignored by police on page 127 The Main / Final Report

THE CULTURE OF EXTREME DOMESTIC TERRORISM AND ABUSE OF RESIDENTS IN HOUSING NATIONWIDE ACROSS THE UK

100) There are countless reports about similar types of evils happening to people in social housing right around the country, because this crime syndicate have literally infiltrated everywhere now. These criminals have totally infiltrated Genesis and corrupted that housing group too. Like they have obviously also done with RBKC and KCTMO. They have literally taken over and are pulling strings at the highest levels. The crime syndicate in question have stolen so much money now that they are able to completely destroy what used to be decent social housing organisations. What has now happened at Grenfell Tower is indicative of that

101) As these crime syndicates ringleaders have risen in stolen economic power over the last 14 years from their international organised crime scams, we have watched the rapid decline in housing and descent into to absolute chaos, lawlessness and corruption. People are now enduring living in either torturous or dilapidated conditions. Grown men have given testimonies about being in tears because of the hell that they have had to put up with for years. Prior to these crime syndicate ringleaders infiltrating housing departments and targeting people, nothing like what we are witnessing now had ever happened before.

CRIME SYNDICATE RINGLEADERS CONTROL MAINSTREAM MEDIA SO THE TRUTH OF HORRIFIC ABUSE OF UK RESIDENTS GOES UNREPORTED

102) 20 years ago, this type of widespread abuse in the housing sector would have already been checked and condemned. But because the crime syndicate also control the mainstream media, these crimes never get reported. That's why the abuse that was happening to the Grenfell Tower residents, which should have been reported on the news years ago, wasn't. The media are only reporting it now because the Grenfell residents are now dead.

103) The sad reality is, had any of the Grenfell Tower residents still all been alive, still campaigning, still protesting, still appealing for their safety and trying to get a mainstream news network to cover the horrific abuse they were undergoing, the British press would not have touched the story with a barge pole. That's partially why things are so bad, and why criminals are getting away with murder. We have a major crisis going on in the UK with a growing culture of outrageous abuse.

104) The domestic terrorist criminal gang in question are targeting, terrorizing, stealing people's property, infiltrating housing organisations just to harass, and psychologically torture victims/residents within our homes and mainstream media does not report a word about it. Ask yourselves why? Because there is an obvious explanation for this that makes the whole Grenfell fire situation all the more sickening.

105) This same abuse has been going on for 14 years for us and even after winning a massive court case about these same horrors, not a word about it has ever been reported by mainstream news. Grenfell Tower fire heralds the shape of things to come for everyone if nothing is done to reverse the growing trend of evil.

RESIDENTS ATTENDING MEETINGS WITH COMPLAINTS OF HOUSING ABUSE AND NEGLECT ALL OVER THE UK

106) Those of us who have attended residents meetings about what is happening to people in the UK, have witnessed these meetings quickly become jam packed with people piling in wall to wall, coming nationwide from all over the country. People are not attending these housing meetings because they don't have anything else to do, they are attending because the serious abuse of UK residents has reached epidemic proportions.

107) Since the Grenfell fire, we are now informed that Genesis housing have merged with Notting Hill Housing Trust which is also in the RBKC area. This signals even more danger ahead for even more UK residents. It looks like these criminals are joining ranks to create one big mega beast, designed to destroy the entire UK resident population.

SUDDEN SINISTER STAGED FIRES IN OTHER TOWER BLOCKS ALL OVER LONDON SINCE THE GRENFELL TOWER FIRE

108) Since the Grenfell Tower fire, there have been reports of what appear to be other pre staged fires in many other London Tower blocks for example Shadwell East London, Bethnal Green East London, Camden Town North London, Hampstead North London, Wood Green North London. These fires all happened back to back days after the Grenfell fire, so it is definitely an extremely abnormal situation. This is a highly suspicious sinister situation also needing to be urgently investigated. We all have the right to live in peace and safety.

PREVIOUS ARSON DOMESTIC TERROR ATTACKS BY THE SAME CRIME SYNDICATE RINGLEADERS WHO HAVE DIRECT LINKAGE TO GRENFELL

109) The SevenGate ringleaders orchestrated to burn the floor down where they had been conducting a military scale surveillance op in the building directly opposite cousin Seven's home on 27th February 2013. They even left a poster stating '**Burn The Floor**' featuring one of the famous TV productions that they had stolen from Seven near the burnt down building, just to let everyone know that they had done the arson. This is typical of their use of the Military program 'operation mockingbird' designed to mock victims after carrying out domestic terror crime themselves. THE ATTEMPTED ARSON DOMESTIC TERRORIST ATTACK TO MURDER COUSIN SEVEN CAUGHT BEFORE GRENFELL TOWER STREAMED LIVE

110) We here produce evidence as proof that there was also an attempt to burn down the building where Seven has been staying for safety on 28th March 2017, just a few months before now murdering our aunt and cousin inside Grenfell Tower. In that situation a unknown unannounced young Caucasian male in his 20's posing as an electrician, turned up at the property and deliberately left a box full of microwave radioactive materials right at the front door entrance of the building with a live device acting as a detonator. This detonator device was being controlled remotely. This attempt to murder Seven was caught and streamed live for the whole world to see the evils being done to Seven. Yet the police did absolutely nothing. This is why we document everything done to us and there is vast amounts of evidence from the case.. https://www.youtube.com/watch?v=id0HUpdh_tI

ATTEMPTED ARSON DOMESTIC TERROR ATTACK REPORTED TO POLICE BUT HAS BEEN TOTALLY IGNORED

111) This is proof that the arson domestic terror attack on 28th March 2017 was reported to the Met police but they did absolutely nothing about it. <https://www.youtube.com/watch?v=bDq-dbTq0Xw>

HARASSMENT TO REWIRE COUSIN SEVENS FLAT ANOTHER ATTEMPTED ARSON DOMESTIC TERRORIST ATTACK

112) After the plot to murder Seven was caught out and streamed live, Genesis sent a letter and kept calling harassing her about wanting to electrically re wire Seven's home and rig it up with motion sensors to track her every move. We know this is another tactic they use to cause power surges to murder residents inside their flats.

113) Grenfell residents had exposed that this had been done in other Tower blocks before the Grenfell inferno. They actually behave like we have amnesia and don't know that they are domestic terrorists who blatantly murder people. They seem to think we are just going let them murder us and say and do nothing about it.

114) We have urgently tried to get help to stop the domestic terror plots for years, but the police don't listen or even care. Since our Aunt Marjorie and Cousin Ernie were murdered inside Grenfell Tower, as we said they are desperately trying to make our cousin Seven homeless to stop her speaking about what they are doing to our family. It's evil. The public has a right to know the truth about what is really going on. If people do not speak up they will just murder everyone.

HELICOPTER HOVERING STATIONED OVER OUR COUSIN RONI'S HOUSE ON THE NIGHT OF GRENFELL FIRE A FEW MILES AWAY FROM THE FIRE

115) On the night of the Grenfell fire, before it was fully a blaze, the our cousin Roni Nicholas , nephew of aunt Marjorie Vital, for several hours, had noticed a low flying helicopter hovering stationed directly over his home which is a few miles away from Grenfell Tower building which we find extremely alarming and deeply suspicious. We urgently need this investigated.

116) Roni was a key witness in the massive court case that revolved around Seven. During the court case both were frequently followed by low flying helicopters right from our front door to the destination planned.

REMIT- URGENT REASONS FOR THE PUBLIC INQUIRY TO EXPAND REMIT TO INVESTIGATE THE SEVENGATE CRIME SYNDICATE RINGLEADERS

1) In order for this public Inquiry to fully determine and establish the true extent of what we are factually dealing with, the hidden ringleaders engineering all this evil must be urgently investigated too. Without doing so, you will not get the full picture of why Grenfell Tower really happened, nor will you stop the domestic terrorists from doing it again.

2) If this Inquiry does not look deeper into exactly who these crime ringleaders are, you will jeopardize the general public's safety everywhere, not just in the UK but all over the world in dangerous ways. The seriousness of the situation warrants nothing less.

3) Just looking into what happened to the Grenfell Tower building and buying into the lie that the Grenfell fire was caused by a fridge will neither deter nor prevent these ringleaders from perpetrating other large scale atrocities.

4) Buildings don't make themselves go up in mass scale raging infernos, only seriously evil people do.

- 5) If the Inquiry does not act fast to stop these ringleaders now, it's an absolute certainty that they will do more Grenfell Tower Infernos again anytime soon.
- 6) After this next section providing evidence about the SevenGate crime syndicate ringleaders, we will provide the causal links so that this Inquiry can see directly how the main key ringleaders from the case we won called **'Seven versus Gossage and Nine Others 'SevenGate'** are directly linked to the Grenfell Tower Inferno.

OUR COURT CASE WON – AGAINST KEY CRIME SYNDICATE RINGLEADERS ALSO DIRECTLY LINKED TO GRENFELL TOWER INFERNO

- 7) We here provide the public Inquiry with key critical background evidence of how we happen to find ourselves knee deep in this nightmare. We have already been to court about the terrorist Crime syndicate ringleaders behind Grenfell and have already won our case. Despite this, due to a massive cover up, they are still very active, hell bent on causing death and destruction wherever they go.

THE EMERGENCY URGENT PUBLIC CALL TO ACTION TO SHOUT DOWN CRIME SYNDICATE PRIOR TO THE GRENFELL INFERNO

- 8) It is also important to mention that Seven has been running an 'emergency urgent public call to action' campaign appeal to get the crime syndicate shut down prior to the Grenfell Tower Inferno. The case has become fairly well known worldwide because the horrific nature of the crimes committed by the ringleaders and UK police doing nothing whatsoever to stop them. There are literally thousands if not millions of people who have following this situation from around the world for years and so are already aware of what is really going on. Therefore it is important to provide key critical background evidence to the inquiry, so that the panel may also become fully up to speed and get the full scope of what we are actually dealing with.

HOW WE CAME TO KNOW ABOUT THE CRIME SYNDICATE RINGLEADERS BEHIND THE GRENFELL TOWER FIRE / MASS MURDERS

- 9) For the last 14 years, the same crime syndicate ringleaders behind Grenfell, have been literally systematically gang stalking Seven and will not leave her alone.
- 10) They targeted her because she is a highly respected concepts innovator. In 2003, they set up a bogus business meeting at the bankrupted NTL facilities (since rebranded as Virgin Media) to steal valuable documents detailing a multimedia platform she had created. These documents were stolen at that meeting by Helen Alexander, Jim Manson, Richard J Hannah with the assistance of her then Lawyers from the Russells Media Law firm Christopher Gossage and Tony/David English.

- 11) Seven's stolen multimedia platform documents were used for ferocious international Organised IP crime racketeering in over 126 countries, which quickly generated Billions of pounds in black market revenue for the crime ring and became multiple award winning globally celebrated TV productions still running and generating Billions annually from countless global franchises and spin off merchandises today. Due to their successful operations and large monetary rewards, they employed a full military scale industrial espionage domestic terror operation to continue systematically stealing literally everything Seven has created ever since.
- 12) This foul criminal situation has continued and has over 75 Met police' reports for truly horrific crimes done over past 14 years. It is the crime syndicate ringleader's domestic terror operation that has expanded out of control over the years and forms the foundation of the horrors we find ourselves having to deal with today. View evidence here: 30:59 on time of video <https://www.youtube.com/watch?v=OOsSs9ExdHY>
- 13) This crime ring of parasites, have been literally leaching off of Seven using her as a human resource to fund the expansion of their nefarious international racketeering, domestic terrorism and slave trading global enterprise.
- 14) All our attempts to stop these insane greedy thieving evil people, have resulted in them trying to murder Seven and actually murdering others. Over the last 14 years these ringleaders have stolen vast amounts of her valuable IP. They have stolen all her profits, stolen all her awards, stolen all her credits, stolen all her royalties, stolen all her publishing rights, stolen all her copyrights, stolen all merchandising rights, they have even stolen her name and identity. This is not just about theft, these ringleaders are effectively running a covert industrial scale international domestic terrorism driven slave trade
- 15) Seven's entire life has been stolen and literally turned into a covert money making Truman show. Details of our personal lives and Seven's creations are being given to other cult member criminals to pass off Seven's stolen life and works as their own. To get away with this evil, and stop this evil from coming to light, the ringleaders have committed countless other atrocities to use them as a smoke screen to keep their covert slave trade from becoming publically known. View Seven's stolen productions by the SevenGate ringleaders 1:29:41 on the video time <https://www.youtube.com/watch?v=hul6xeJrm9I>

OTHER UNRESOLVED SUSPICIOUS DEATHS NEEDING INVESTIGATIONS

- 16) Two of Seven's friends died suspiciously in 2012 on the same day. Both her parents died suspiciously 2014 six months apart, and now our aunt and cousin have been blatantly horrifically murdered with hundreds of other innocent people inside Grenfell Tower. This type of targeting abuse is not exclusive to just Seven. There have been countless suspicious deaths of people working inside Associated TV networks who were employed to illegal trade Seven's stolen work in some capacity.

- 17) Press have reported that employees working behind the scenes of Seven's stolen shows (they never mention Seven) also find themselves being brutally bullied and terrorized just like is being done to seven, and was done to the Grenfell Tower residents before they were all horrifically mass murdered.
- 18) You will see quite a sizable list of people behind Seven's stolen productions who have found their untimely demise at the hands of these ringleaders. Once the Inquiry starts looking at the evidence, you will soon start seeing a very clear consistent pattern of extremely sinister activities taking place inside Associated mainstream TV networks, mainstream media law firms, and Telecommunications companies all leading to the suspicious deaths of countless people. View evidence of other victims of this crime ring at time 25:36 of video. <https://www.youtube.com/watch?v=OOsSs9ExdHY>
- 19) To keep this all hush hush, they have been compromising and bribing people all over the place to assist them in either covering it up, or helping them carrying it out in one way or another. As this criminal gang have expanded over the years, the trail of death and destruction has become more and more blatant and horrific, culminating with the mass murders at Grenfell Tower.
- 20) This evil has now become woven entrenched into the very fabric of British culture and society. There is an obvious attempt to normalize it and make it fair seeming. These ringleaders are openly brazenly glorifying their own horrific pre scripted crimes, then selling it back to the global public as entertainment.

THE OPEN SECRET TRUTH BEHIND CRIMES AT GRENFELL TOWER

- 21) Basically, we are dealing with a situation whereby the crime syndicate ringleaders are targeting random innocent people, who for the most part, don't even know they have become targeted. They are doing this to ordinary everyday people just like Seven and the people living inside Grenfell Tower. Because they have also infiltrated the social housing sector they have direct access to get to people in their living spaces.
- 22) What is even more disturbing, is that they are actually pre-scripting these horrific predatory real life crimes in advance, before carrying them out on the people. These real events are being turned into plotlines for TV shows and big budget Hollywood movies. This is what is factually behind the Grenfell fire mass murders.
- 23) For all the people who are benefiting, living luxuriously from the steady flow of wealth off the backs our endless suffering and misery, we imagine it's all very wonderful. But for us on the receiving end of this evil its intolerable and therefore, we will continue to do everything in our power to stop it
- 24) Because Seven's case has become well known and documented internationally, other targeted victims have made contact from all around the world, who are desperate for help because they too are also suffering.

IMPORTANT FACTS ABOUT THE RINGLEADERS TARGETING OPERATION

- 25) It is estimated that there is approx between 5 and 20 million people being targeted now worldwide. We are not sure of the exact figure but know the numbers are very high because this criminal operation is being run globally on an industrial scale. The amount of stolen monies now being generated by this crime ring is in excess of hundreds of Trillions. They are the largest most evil crime syndicate in the world. Consequently, they have been able to usurp every public office and official department.
- 26) They terrorize and intimidate people to do their evil bidding, then obstruct justice to ensure that court cases against them are illegally removed from the court lists and the ones like ours which are won, whereby they know they owe victims a large settlement payout, are covered up with lies and forged falsified altered court judgements and other illegal documentation. Then they move in a massive military scale covert surveillance operation around the victim's home and bombard us with non-stop psychological warfare and domestic terrorism 24/7 day after day, week after week and year after year.
- 27) When we try to expose crimes to the police or even the public, they employ a host of trolls and hired agents to engage in a ferocious smear campaign to try to make genuine long suffering victims look like liars.
- 28) Consequently, we could see that a crime like Grenfell was on the horizon and destined to happen if the ringleaders were not stopped. That's why many of us have been campaigning to shut this crime ring down for years. Click video link to watch the urgent call to action video just below you will notice they distorted the sound and vision to stop Seven speaking the truth <https://www.youtube.com/watch?v=YmYVlyPMet0>

THE RINGLEADERS CORRUPTION & INFILTRATION OF JUDICIAL SYSTEMS TO PERVERT JUSTICE AND PREVENT ARRESTS AND PROSECUTIONS

- 29) There is no justice in the UK because these criminals, many of whom are posing as professionals, executives, media moguls, solicitors, lawyers, barristers and QC's have now infiltrated the entire judiciary and are silencing police from taking any action to assist victims.
- 30) After the ringleaders lost our case, they fabricated and reversed the real official Judgement to conceal the fact that they owed us a colossal amount of money and were exposed as guilty. SOME BACKGROUND EVIDENCE REGARDING: OUR CASE AGAINST THE SEVENGATE RINGLEADERS LINKED TO GRENFELL TOWER FIRE

- 31) Please watch from 1:52 time of video to see evidence about the ringleaders <https://www.youtube.com/watch?v=OOsSs9ExdHY>.
- 32) These ringleaders all knew we had tons of evidence against them and also 14 credible professional witnesses who had provided statements backed up by prima facie evidence too, which proved 10000% that everything we had stated was the truth, so they knew they couldn't legally or lawfully defend the case or justify committing such wretched crimes against humanity. So we were awarded default Judgement straight away. They were ordered to pay up in a settlement to pay back for everything thing they had stolen from Seven we claimed for additional aggravated and exemplary damages besides other damages that are listed in the claim.
- 33) All that was then required, was for them to provide the court with disclosure of an account of profits made from the thefts and global racketeering operations using Seven's stolen Intellectual Property. But they refused to comply, and instead, we were sent death threats and a nonstop campaign of domestic terror as a means to try get rid of Seven and the case altogether.
- 34) The Judge saw the truth of the horrors going on, because the evidence against them is overwhelming, so had ruled Seven's favour and had ordered a full criminal trial to begin 2007 whereby the ringleaders were naturally facing long prison sentences. They knew the truth about their terrorist crime ring and international racketeering activities was going to be made public, so they went over and beyond to stop the truth from getting out.
- 35) Short version courtroom audios from case won against the SevenGate / Grenfell Tower Fire ringleaders <https://www.youtube.com/watch?v=KzCfmx1WZfw>
- 36) Longer version of courtroom audio with lots of additional evidence <https://www.youtube.com/watch?v=t0ZHxxlbfF4>

CRIME SYNDICATE RINGLEADERS MEANT TO GO TO PRISON IN 2007 AFTER LOSING CIVIL COURT CASE 'SEVEN VERSUS GOSSAGE & NINE OTHERS'

37) In 2007, the year the criminal trial was set to begin, we were told that the Judge named Pumfrey was suddenly dead, and from then on the case was totally covered up and their campaign of domestic terror went into overdrive. This is why Seven has remained on the horrific targeting, gang stalking domestic terror program ever since.

38) We took the case before Chadwick LJ twice because they used bribery and corruption to illegally get the case removed from the court listings, while they tried to murder Seven and did murder others at the same time. Explained in detail either in the Farrell report or the interview series with Judge Allred Webre links added further on below.

OUR ORDEAL WITH THE RINGLEADERS DURING THE 7/7 ATTACKS 2005

39) All hell broke loose for us during the London 7/7 bombings 2005 and shooting of the Brazilian man Jean-Charles, who coincidentally has Seven's same family name John-Charles. The evidence shows that those terror attacks where 52 people were also murdered, was also orchestrated by the very same SevenGate crime syndicate. They were trying to murder Seven back then too, so she had to go into hiding for three months, until she was smuggled to Notting Hill gate station by cousin Roni and from then on we were able to resume the case. You will hear the Judge reference all this in the courtroom audios and state that he knew what Seven and all of us who were witnesses was saying was the truth. We are not liars. The ringleaders are. View evidence on pages 84-88 and 154 of The Main /The Final Report. www.thefarrellreport.net Also check the index on contents page 2 to view more specific exhibits of evidence.

OUR MAJOR COURT VICTORY AGAINST THE RINGLEADERS AFTER SEVEN GOT OUT OF HIDING IN 2005

40) First Chadwick LJ and Sir Peter ruled in our favour and placed the case back on the court lists, after it had been illegally removed by Blackburne J, which is when the case was later heard by Judge Pumfrey who also ruled in our favour. Judge Warren was the one who released the courtroom audios to us in 2008, on the Order made by Chadwick LJ because Judge Pumfrey had suddenly died.

41) In 2008, just one day before the credit crunch crash was publically announced, the crime ring got a corrupt Judge named Lawrence-Collins to criminally and illegally block our court room audios from being heard. He blocked courtroom audios that he '*knew*' had been ordered by Chadwick LJ and had been released by Judge Warren. Lawrence-Collins to protect the crime syndicate ringleaders and stop them from going to prison.

42) After perverting the course of justice so blatantly, illegally and criminally by deliberately refusing to honour the Orders made by two senior Judges before him, Lawrence-Collins was immediately reported to the police. What he did was a humongous crime of massive proportions which has directly contributed to further atrocities and deaths of countless more innocent people at the hands of the crime syndicate ringleaders, including the hundreds residents at Grenfell Tower. This is why we have no trust in the system now. After all we have been put through it is impossible to do so.

CAUSAL LINKAGES OF KEY SEVENGATE CRIME SYNDICATE RINGLEADERS TO GRENFELL TOWER INFERNO

CAUSAL LINK – RICHARD J HANNAH KEY SEVENGATE RINGLEADER- LINK TO GRENFELL TOWER

- 1) This next series of causal links is regarding the Key SevenGate crime syndicate ringleader Richard J Hannah based on;

CAUSAL LINK- RICHARD J HANNAH - DIRECT EVENTS LEADING UP TO THE GRENFELL TOWER FIRE

- 1) Before we start to connect the causal link dots, here is some very critical background details about significant events leading up to Grenfell fire- As you will have seen if you watched the SevenGate live interview 'emergency urgent public call to action' video, which was to mobilize global support to shut down the SevenGate crime ring which was broadcasted live on 31st May 2017, Seven had been campaigning globally day and night, speaking to people around the world about shutting down the crime syndicate ringleaders down for good.
- 2) Out of the blue, she received a message from Judge Alfred Webre informing her that key SevenGate ringleader Richard J Hannah had left a comment on Alfred's 'News Inside Out' public forum basically calling Seven a liar obviously panicking that his vile crime syndicate had been rumbled and that people around the world were mobilizing to shut them down..
- 3) This evil man had the bare face cheek to call Seven a liar, knowing full well he has targeted, robbed and been brutally terrorizing and gang stalking her every day for the last 14 years, to collect all the profits from her stolen intellectual property for himself and his crime ring with no let up.. In addition to that, knowing full well he and his evil gang have terrorized and murdered their way around the world using Seven's stolen innovations as a resource of revenue to expand their global operations.
- 4) Seeing that people around the world were joining forces to help shut them down, he tried to smear Seven as a liar again (this tactic is nothing new). So Seven responded in no uncertain terms and had posted the courtroom audios with other evidence exposing them all again on Alfred Webre's News Inside Out public forum. Then literally, the following day, there were press reports about another 'staged' terrorist attack, this time at London bridge which stated;
- 5) 'Seven was Killed http://www.bbc.co.uk/news/uk-40146916?ns_mchannel=social&ns_campaign=bbc_breaking&ns_source=twitter&ns_linkname=news_central
- 6) People knew straight away it was the knee jerk reaction of Richard J Hannah. This is something they had always done every time they saw they were being widely exposed, so it was no surprise to any of us. See evidence of events here: Charles Seven issues emergency call to action against SevenGate international Satanic False Flag crime ring
By Alfred Lambremont Webre
<https://newsinsideout.com/2017/06/charles-seven-issues-emergency-call-action-sevengate-international-satanic-false-flag-crime-ring/>

7) People in the know contacted Seven from all around the world, knowing that it was the evil Richard J Hannah who was behind what took place at London Bridge too. It was just too blatant to even try to disguise it everyone knew it was Mad Max up to his evil tricks again.

'OPERATION MOCKINGBIRD' PLOT TO CARRY OUT 'ACT OF EVIL' SEEN ON BBC WEBSITE TWO DAYS BEFORE GRENFELL TOWER INFERNO

8) **Causal Link 1-** On 12th June 2017, Seven stumbled upon a BBC TV plotline, which stated that 'Max' (Richard J Hannah's alias name), was to carry out 'his most evil act yet' to get rid of Charlie for good. (Seven's other name). The TV plotline also used parts of what Hannah had stated in the email about '**Unleashing Hell Murder and Vengeance**' on the public. View from 46:18 on time of video <https://www.youtube.com/watch?v=hul6xeJrm9I>

9) Knowing that this crime ring have always used TV shows to ritualistically code and give prior notice about their upcoming crimes using subliminal messages, reading this new BBC plotline 'stating that 'Max' (Richard J Hannah)was going to carry out his most 'evil act yet' was a major red flag alert signalling that something extremely horrific was about to happen.

10)Seven wrote to lots of people to alert them and tried to even get police intervention but could not. View the causal link evidence of BBC plotline 1:54:57 time of video -<https://www.youtube.com/watch?v=hul6xeJrm9I>

11)Two days later, we saw Grenfell Tower blazing in a massive inferno in the most evil horrific act of evil imaginable. Then immediately remembered the statement in the BBC TV plotline 2 days before.

12)During the inferno, BBC even put out a News Report which stated "**Grenfell Tower Inferno was like a Horror Movie**" because they knew that's exactly what we were all forced to publically witness. It was a vile top secret reality snuff horror movie <https://www.youtube.com/watch?v=2cMaT5t6wxc>

13)Remember this was not a random situation for us at all. We have seen them use TV productions and Associated TV Networks in this outrageous evil way time and time again.

THE RINGLEADERS HISTORICAL USE OF 'OPERATION MOCKING BIRD' WITHIN TV PLOTLINES WITH CRIMES AGAINST SEVEN AND OTHER VICTIMS

14)There has been a long historical pattern of seeing these disturbing TV plotlines publicised, and then the identical major terrorist crimes follow in real life shortly after. These crimes have occurred over and over again over the last 14 years. They did the same thing directly after they robbed Seven after the meeting where Helen Alexander, Jim Manson and Richard J Hannah had stolen her Multimedia platform documents to use them for their global racketeering scams.

15)Basically, we have seen that the real crimes they were factually doing to Seven had been scripted and turned into TV plotlines too.

16) We always knew something highly sinister and sadistic was going on, then we discovered the crime ring have been using a well known military program called 'Operation Mockingbird.' Richard J Hannah's key fellow con ringleader Helen Alexander is now operating her scams directly from within intelligence agencies and units, acting as a deep state usurper and they also have a arsenal of TV production houses and worldwide Associated TV networks to their disposal, so it's not hard to figure how they are doing this.

17) In prior earlier years we know Helen Alexander was running her crimes from within SMG with Jim Manson as can be seen by the evidence giving a phoney eye witness testimony with his eyes closed for a terrorist attack he had clearly staged himself with his crime ring members.

18) View Jim Manson caught staging Terrorism to frame innocent Muslims at Glasgow airport from SMG at time 1:23:27 of video below. SEVENGATE RINGLEADERS AND THEIR REAL LIFE CRIMES SCRIPTED AND FEATURED ON BBC AS 'OPERATON MOCKINGBIRD' TV DRAMAS

19) **Causal Link 2- Dark Tower Movie** – Before breaking down the evidence in this causal link section, it is necessary to first give you some context. We recognize that many people will never have heard about the military program that we will be referencing before called '**Operation Mockingbird**', so will be unfamiliar with the use of this Military program by criminals inside corrupt TV networks to perpetrate serious crimes either. But we guarantee that once you start paying attention you will start noticing that this program is being used all of the time right in front of our faces.

20) So to kick off this causal link section please go to pages 78-79 of The Main Report /The Final Report at www.thefarrellreport.net

21) Ok. you will hopefully see an advert of a BBC TV production called '**Hustle The Con is On**' This is a example of the use of 'Operation Mocking Bird', the advert you are hopefully looking at is a BBC characterization based directly on the real SevenGate crime syndicate ringleaders; '**Helen Alexander**', '**Jim Manson**', '**Richard J Hannah**', '**Christopher Gossage**' and '**Tony/David English**'.

22) On the website for this BBC TV production '**Hustle The 'Con' is On**' first launched in 2004, we were all shocked to see every crime they had done to set up Seven in real life, was shockingly featured on this BBC website. Consequently, we learnt about these criminals' perverse use of 'Operation Mocking Bird' and abuse at TV networks the hard way. This particular BBC production was 'created to specifically publically *'mock'* Seven and the rest of us who went to court to stop these real life abominable crimes they have been carrying out with impunity over the last 14 years.

23) Another quick example so you will fully understand what these criminals get up to. While we were launching legal proceedings to stop their global racketeering scam stealing and selling off Seven's Intellectual Property, the ringleaders had also sold Seven's name and Identity '**Charlie 7**' to create a Pop Band and had even brazenly called the album" **CHASING VICTORY- 'A NOT SO TRAGIC COVER UP'**

24) View evidence on page 83 of The Main Report www.thefarrellreport.net View index on contents page 2 to see more evidence of other key exhibits about the ringleaders.

25) This blatant type of abuse is very typical of what these criminals do to the people they target. It provides a clear example of how the ringleaders in this crime syndicate are perversely using the military program 'Operation Mockingbird'. The program involves the brazen, sadistic, in your face pre scripting, pre broadcasting and pre advertising of horrific real life crimes that these criminals, are either plotting to carry out, or have already carried out. Before and after committing atrocities, they leave a trail of sinister clues either in mainstream TV shows, Movies or publications that are in mass mainstream circulation. That is how we know when they are behind specific crimes. It is in this key specific area that we will be examining the evidence and revealing the direct linkages with this crime ring and the crime at Grenfell Tower.

DARK TOWER MOVIE FEATURED ON FRONT COVER OF 'COMIC 'CON' MAG

1) If we next take a look at the front cover exhibit of a mainstream magazine published 2016 called '**Comic 'Con**' you will see that it was promoting the coming new movie '**Dark Tower**' scheduled for UK release August 2017. . Go to 1:35:39 on the time of the video to view and pause '**Comic con Mag** with '**Dark Tower** movie' on cover <https://www.youtube.com/watch?v=hul6xeJrm9I>

2) When you examine the magazine's image and message, we see the feature of the key word '**Con**' as was seen expressed within the '**Hustle The 'Con' Is On**'. BBC TV series which was specifically about the SevenGate ringleaders. So this magazine also featuring the word '**Con**' was another given clue as to what message was really being conveyed. It was in fact a direct reference to the usual suspects, and a direct reference to their next '**Con**' operation scheduled to be carried out. Now when we turn our attention to determine what next '**Con**' they are talking about and we see the focus is about the Movie '**Dark Tower**'.

CON THE CRIME SYNDICATE RINGLEADERS ARE BRAZENLY PLAYING ON PUBLIC TO OPENLY BROADCAST MASS MURDERING PEOPLE

- 3) An important point to bear in mind, is that the original BBC TV series '**Hustle The 'Con' is On**' was created in 2004 specifically to secretly celebrate and glorify these ringleaders brazen real life daredevil outrageous criminal shenanigans.
- 4) In the '**Comic 'Con**' publication, you will see it was promoting the new coming Movie called '**Dark Tower**' using the same 'Operation Mockingbird' principles as was used in the prior aforementioned BBC TV production '**Hustle**'. '**The 'Con' is On**' because this magazine feature was continuing on from the '**Con' Is On**' theme from the BBC TV series production. If you are not aware of the perverse game these people are playing then you would not see it, but once you start to connect the dots the penny soon drops.
- 5) The actual slogan '**The 'Con' is On**' is also a important key significant feature to pay very close attention to, because it informs us that the ringleaders (who the original production was about) Con's /Crimes are in active ongoing and perpetual motion and process.
- 6) Now if we take a second to interpret the actual meaning of the word '**Con**' it means deception, deceit, basically a lie. So the message they are giving us in relation to the ringleaders, is that they are '**deceivers**' and that '**their deception is on**', 'in other words **their lies are active**'.
- 7) Ok that's all pretty clear... so let's move on. Now remember the key word to focus on with 'Operation Mockingbird' is the word '**mock**' interpreted means '**to take the Mickey out of**, or '**to make fun of** either something or somebody.
- 8) So when we look at the magazine stating '**Comic 'Con**' featuring the '**Dark Tower**' movie, it is informing us that they are taking the Mickey with a big fat lie. Now when we look to see what the lie is, they are obviously referring to the Movie '**Dark Tower**. Basically they are telling us there is a big fat lie and deception around the '**Dark Tower** movie.
- 9) Now if we take a second to interpret the word '**Comic**' translated it means joker, comedian, clown, to make laugh, it's not too far from the word 'mock'. So the message being obviously conveyed in this publication is that there is a hilarious big fat lie regarding the '**Dark Tower**' movie. But the '**Dark Tower**' movie is not a comedy? It is actually a very dark dystopian very sinister movie revolved around destroying a Tower in order to unleash unbelievable evil into the world, because the character in the movie, just like Richard J Hannah, is committed to doing evil with all his heart. So exactly what is there to laugh about here?
- 10) On the original BBC '**Hustle The 'Con' Is On**' website back in 2004, they had featured a photograph of the character actor who was playing Richard J Hannah, sitting at a table, counting mountains of stolen money which the ringleaders had factually generated from their grand scale global racketeering scams.

- 11) They even openly provided a glossary of terms, showing the evil filth these ringleaders are engaged in behind closed doors in real life.
- 12) All the crimes they were actively doing to Seven was openly featured on this BBC website like it was all hilariously funny. This should give you an idea of the mindset of the people we are dealing with.

SEVENGATE TERRORIST RINGLEADERS 'SHORT' CONS AND 'LONG' CONS

- 13) This BBC Hustle TV production website, openly informed us that these ringleaders either carry out 'short cons' / quick scams for fast massive monetary returns, or they carry out 'long con's' which are much more far reaching, insidious, diabolical and expansive in nature. Their long 'con's' are designed to go on forever and provide the ringleaders with a never ending steady constant flow of revenue for the rest of the person being targeted's life (as a covert slave), whom they believe they can also murder at any point at their own mercy and discretion with complete impunity.
- 14) For example, a 'long' 'con' involves randomly selecting a victim or group of multiple victims from the public to be targeted, such as has been done to Seven for the last 14 years.
- 15) They then surround the victim/target's home and neighbourhood in a full scale covert military level illegal surveillance operation to literally steal *'everything'* the target creates while obstructing and hindering any possibility of stopping them. That's pretty much how it works.
- 16) Now from what we can see from the exhibited evidence on the front cover of the **'Comic 'Con'** publication promoting the movie **'Dark Tower'** undoubtedly this publication was another 'operation mockingbird' mock fest, and a continuation of the **'Con is On'** theme previously seen promoted in the BBC series about the ringleaders daredevil mega Cons that they are about to carry out in real life.
- 17) The **'Dark Tower'** which was the focus of this hilarious **'Comic 'Con'** to be destroyed in order to unleash unbelievable evil into world, was in fact Grenfell Tower. Therefore, as we examine the **'Comic 'Con'** magazine deeper, you soon realize they were not just promoting the **'Dark Tower'** movie, they were actually promoting the monstrous crime that they were plotting to carry out. The clue is clearly exhibited in the title. Titles of movies and publications are always very important to pay attention to.

CAUSAL LINK- EVIDENCE ABOUT THE SINISTER DARK TOWER MOVIE WITH THE LEAD CHARACTER CALLED 'LORD GRENFELL'

- 18) **Causal link 3** – For anybody who missed all that, or just didn't see the connection, to make it absolutely in your face undeniably blatant, they even *'deliberately'* named the main lead character of the **'Dark Tower'** movie **'Lord Grenfell'** just in case anybody didn't get it before. Grenfell Tower is just a bog standard Tower Block amongst thousands of other Tower Blocks all around the UK.

19)How is it therefore possible that there is a major big budget Hollywood movie about destroying a Tower, to unleash unbelievable evil into the world with a lead character called '**Lord Grenfell**'?

GRENFELL TOWER AND GRENFELL ROAD NAMED AFTER A REAL LORD GRENFELL TO MAKE THE CRIME BLATANT AND OBVIOUS

20)**Causal link 4** - Anyone who cannot see the unbelievable evil being perpetrated here must be either blind or on the pay roll. What is even more sickening is that **Grenfell Tower and Grenfell road** was named directly after a man called '**Lord Grenfell**' **1st Baron** who like Richard J Hannah was also a military man. His grandson '**Lord Grenfell**' **3rd Baron**, worked as a program presenter for '**the very same mainstream Associated TV networks**' where Seven's stolen innovations were sold connected to the court case that are run by the SevenGate crime syndicate ringleaders.

21)This is yet another direct causal link. Go to 1:47:26 on time of video and pause to examine this evidence: <https://www.youtube.com/watch?v=hul6xeJrm9I>

22)This once again is a typical example of the SevenGate crime syndicate ringleaders subliminal message signalling and leaving their stamp to make it absolutely clear that they had orchestrated the Grenfell Tower Inferno mass murders, so they could broadcast murdering peoples relatives as a Associated TV network snuff horror movie show right in the whole worlds faces.

THE CRIME SYNDICATE RINGLEADER'S MOTO OF' OUTRIGHT TERROR BOLD & BRILLIANT OPENLY BROADCASTED AFTER DOING ATROCITIES

23)When these ringleaders had previously carried out the 7/7 atrocities in 2005, they brazenly wrote '**OUTRIGHT TERROR BOLD & BRILLIANT**' openly on the side of the bus that they blew up at '**Russells**' square- But now what we see with the open mass public executions of more innocent members of the public at Grenfell Tower takes these ringleaders evil crimes against humanity to a whole other level.

PUBLISHED INTERVIEW ON 13TH JUNE 2017 WITH LORD GRENFELL OF ASSOCIATED TV NETWORKS RUN BY SEVENGATE RINGLEADERS

24)**Causal link 5** - Ask yourselves how is it that on the very night just as Grenfell Tower fire was kicking off 13th June 2017 that there was an interview published with the very same former programme presenter at Associated TV '**Lord Grenfell**'? Whoever ordered this interview and conducted it is a direct suspect needing to be immediately arrested they need to answer questions as to their roll in this evil.

25) What you are looking at is the evil psychopathic crimes and pastimes of truly sick people. What you are witnessing here is just another day at the office and what these wicked people do at their places of work. This evidence shows they actually want people to know that they carried out the most horrific evil upon innocent people, and ran their elaborate con on the public for perverse kicks. They have been doing horrific evil to people for so long and getting away with it that they are now brazenly publically mass murdering hundreds of people right out in the open with the whole watching. They are clearly doing this because they have hijacked the entire judiciary and are blocking the police from making the necessary urgent arrests so believe nobody will ever be able to stop them.

RICHARD J HANNAH'S STOLEN FRAUDULENT USE OF ANOTHER MANS IDENTITY AS A BRITISH LORDSHIP

- 1) **Causal link 6** - Richard J Hannah is a large towering Black Military connected man, who operates his crimes behind the scenes of these mainstream media Associated TV networks in clandestine deep state capacity together with Helen Alexander, Jim Manson with the others from the crime syndicate.
- 2) He famously used the stolen Identity of a white male '**British Lord**' as a guise to lure Seven and friend Lisa to the meet Helen Alexander and Jim Manson by deception, for the sole purpose of stealing Seven's valuable IP to collect stolen worldwide revenue to fund staging domestic Terror atrocities upon the public. And it is this very evidence that serves as a clue as to why the '**Dark Tower**' movie plot's lead character had been specifically named '**Lord Grenfell**'. View Richard J Hannah's use of a Lords stolen Identity here: To view go to 1:26:53 on time of video and pause <https://www.youtube.com/watch?v=hul6xeJrm9I>
- 3) **Causal Link 7** - Another key point to pay close attention to, in the movie '**Dark Tower**' they specifically used a Black Male actor Idris Elba to play the lead character of '**Lord Grenfell**'. Just as was done in the BBC TV drama '**Hustle The Con is On**', with the Black main lead character who played Richard J Hannah too. Go To 1:34:09 on time of video: <https://www.youtube.com/watch?v=hul6xeJrm9I>
- 4) **Causal link- 8** we know Richard J Hannah has links to the Military, because it is openly stated in his career biog. He also operates behind the scenes of these same mainstream Associated TV network as Lord Grenfell. His Military stance displayed when gave the '**command**' using 'Operation Mockingbird' principles in his statement to '**unleash sales hell then murder with vengeance**' was typical of Operation Mockingbird, therefore it is clearly Richard J Hannah's influence behind the use of this Military program Operation Mockingbird. It also explains why majority of the illegal surveillance operation against Seven was being covertly carried out by the Military, and why majority, if not all of the crimes done to Seven have also been scripted and featured in TV productions and Movies in exactly the same way.
- 5) This evidence was featured within the court case that we won against this crime ring.

- 6) When factor in that Helen Alexander operates crimes on behalf of this crime syndicate from intelligence agencies and units, it is not hard to see how they are running these black op evil domestic terror crimes. These are murderers and usurpers who must be arrested before they carry out any more horrific atrocities against defenceless people.
- 7) Richard J Hannah has openly described himself as a '**maniacal international terrorist**' clearly that is clearly a fact. He lives vicariously via the use of scripted subliminal messaging within TV and movie plotlines. This extremely unhinged man is a pathological liar with an obvious preoccupation with using psychological torture and terror on his targeted victims and the public. Horrifically in this instance, his selected victims for his preserve sadistic game were the residents of Grenfell Tower.
- 8) What is even more disturbing, is that he has been getting away with these evils for the past 14 years at the extreme detriment of the entire world and nobody has intervened to stop him? This just shows how low humanity has sunk. This is much worse than the infamous Doctor Shipman case where he robbed then murdered his patients. This man Richard J Hannah is making evil commands and has somehow has convinced a whole host of people to join him in these barbaric plans.
- 9) **Causal Link 9-** The Rydon Company responsible for putting the highly flammable, highly toxic globally '**banned**' cladding on to the Grenfell Tower building, are working closely with the Military of Defence. This is another direct causal link to the use of the Military program 'Operation Mockingbird.' Far from anyone being arrested in this Company, only six days after helping to murder hundreds of people inside Grenfell Tower they were put forward as the preferred Company to do further '*jobs*' now in the London Ealing area. Everyone who was involved in ordering cladding the Grenfell Tower building should also be arrested this Company needs to be shut down and investigated. The cruel extremely inhumane use of the 'Operation Mockingbird' program must be immediately scrapped. View on time of video 1:05:57 https://www.youtube.com/watch?v=S1_hZXf0eEc

THE SEVENGATE RINGLEADERS NAZI TORTURE AND SLAVE TRADING PROGRAM TARGETING SELECTED PEOPLE FROM GENERAL PUBLIC

- 26)The 'long con' is actually based on a Nazi torture program, designed to be inflicted on the person being targeted forever. For the rest of the target/victims life, they will be systematically gang stalked, robbed, hacked, tortured, burgled, bugged, exploited in a multiple variety of cruel extremely sinister sadistic ritualistic torturous ways while every official department turns a blind eye.
- 27)So the 'long con' involves a never ending sinister perverse game and vicious cycle of non-stop systematic abuse done to the target 24/7 carried out by the ringleaders remotely at close range and proximity.

28) Difficult victims/targets who complain, seek justice, or refuse to readily embrace the horrific torturous way of life and do not have 'Stockholm Syndrome' are either horrifically murdered as was done to the Grenfell residents, or are pushed to the extremes by non-stop Nazi like torture with EMF weapons designed to make the target be perceived as crazy to unaware friends, family and onlookers.

MASS MURDER FOR MASS PROFITS FROM BIG INSURANCE CLAIM PAYOUTS AS WAS DONE DURING THE TRANSATLANTIC SLAVE TRADE

29) After blatantly mass murdering people they think they can then storm in and claim big insurance pay outs. Historical records show that the same type of barbarous abuse used to be done during the transatlantic slave trade. We know that this crime syndicate ringleaders are running a horrendous slave trade, of which Helen Alexander is head of. She has lied, cheated and robbed and destroyed the lives of countless innocent people to usurp her way the top of Britain's Trade Industry. She is abusing and misusing her position to collect colossal unjust enrichments for herself and other crime syndicate members from the proceeds of horrific slave trading crimes against humanity.

30) We can clearly see from the evidence, that even before these crime syndicate ringleaders had meticulously orchestrated the horrors done to the Grenfell residents, that they had sort to cover all bases by even making provisions 3 months before the Grenfell fire to change the insurance policy of the Grenfell Tower building from the Zurich Company to the Company Protector Foresking. The insurance policy was changed 3 months in advance, specifically to ensure that they had specialist insurers who dealt with human casualties.

REASONS TO TAKE THE RINGLEADERS ILLEGAL SLAVE TRADING CRIMES INTO ACCOUNT RESOLVING CRIMES AT GRENFELL

31) This Inquiry has to take into account, that there is currently a thriving covert underground culture of using domestic terrorism to run illegal slave trading operations in the UK headed by Helen Alexander with other ringleaders in the SevenGate crime syndicate aforementioned. This has become big business for these scumbags. They have been pushing a culture of slavery into mainstream via control of Associated TV networks, TV shows and Movies. Unbeknown to the Grenfell Tower residents, it was this culture that was at the root of the problem when they were battling for their safety.

32) It was for this reason that the Grenfell Tower building was fully prepped to burn the hundreds of residents inside alive in order to collect on the massive insurance pay outs. The Grenfell insurance payout is set to be the largest ever in the history of insurance claims which must be blocked from being collected. This evil must be immediately shut down

BBC LICENSE FEE PAYERS FUNDING TARGETING, DOMESTIC TERROR, EXTREME TORTURE & MURDER OF PEOPLE FROM THE GENERAL PUBLIC

- 33) It is important to emphasise that the SevenGate ringleaders crimes have been heavily promoted within a multitude of BBC TV productions (financed by everyone paying a license fee to do this evil) BBC have glorified these evil people' for too long. They MUST be stopped.
- 34) For 14 years corrupt BBC bosses have been illegal beneficiaries also collecting illegal revenue from Seven's stolen worldwide TV franchises and productions such as '**Strictly Come Dancing**' '**Dancing with the Stars**'. While BBC publically celebrated all the monies rolling in they referred to Seven as a '**golden goose**', using public mocking. Note in attempts to conceal the crime they gave the UK version the name of an old outdated boring show, in hopes to deceive people that they had the show before, while they terrorized Seven as the creator behind the scenes to keep the truth that it was her stole work quiet. These are exceptionally evil people who must all be weeded out. They should never be allowed to go near anyone in the public again. View evidence in exhibits on pages 48-54 and 76-79 of **The Main / Final Report** www.thefarrellreport.net

CAUSAL LINK- SINISTER HIGH- RISE MOVIE AND BOOK PRODUCTIONS DEPICTING THE GRENFELL TOWER INFERNO WELL IN ADVANCE

- 35) **Causal Link 10-** The movie '**High-Rise**' - the entire production team needs to be urgently investigated. Just by examining the front cover for the book and movie, you will be absolutely sickened at how blatant the perverse game being played here is. This movie's book cover was entered into Wikipedia on 25th May 2017 (the 25 date is yet another clear clue that it was the SevenGate crime ring behind this entry) they like to feature the number Seven in some bizarre ritualistic fashion.
- 36) This Wikipedia entry was just a few weeks before the Grenfell fire. Go to from 21:30 on time and pause the video below to view this High-Rise causal link - <https://www.youtube.com/watch?v=hul6xeJrm9I>
- 37) What is particularly sinister about the book cover, is that it displays two identical twin Tower Blocks, with one Tower block standing in front of the other. These Tower blocks are very reminiscent to what the Grenfell Tower building looked like before the Inferno.
- 38) The key to pay attention to when examining the pre burning Tower block image, is that the Tower Block standing in the front, has two sections of floors where flats should be, completely erased and deleted from the image. Yet more signalling.
- 39) This is very significant as the creator of the image has clearly done this to convey an important message to the viewer. The image displaying the two deleted floors is clearly signalling where the Grenfell Tower fire was supposed to have started from. View Tower block with deleted floors from time 25:24 of this video - <https://www.youtube.com/watch?v=hul6xeJrm9I>

- 40)The next thing to pay close attention to; is that there are 'two' identical towers which obviously symbolizes the twin towers where there was a major terrorist attack in America which we all now refer to as 9-11.
- 41)De-coded, the message the creator of the image of deleted floors in the twin tower block, is obviously conveying to us, is that there was going to be a major horrific terror attack in the UK on the same horrific scale as was done with the 9-11 terrorist attacks.
- 42)The next '**High-Rise**' image to examine is even more blatant. The image is of the same tower block again, but this time engulfed in a full scale inferno, identical to the inferno we all witnessed happen at Grenfell Tower. The scale of the Grenfell Tower inferno had never been witnessed before anywhere, it was completely unprecedented, so this was not a typical scenario by any stretch of the imagination. As this event was entirely unique, how could it even be possible for the Grenfell Tower Inferno to so closely resemble the Tower Block Inferno image on the High Rise book cover so exactly? This could only have happened if someone had pre engineered for the Grenfell Tower Inferno to resemble the High Rise Tower image on purpose well in advance.
- 43)The plotline of the High-Rise movie states; "**Whether mazes blocks or bunkers, Ballard was drawn to the psychology of 'brutal environments'. This inner space rather than that outer space**". What this is clearly describing is the 'inner space' of the Grenfell Tower block, where the residents were literally forced to endure psychological hell and unprecedented torture before they were all brutally burnt to death alive with all the Associated TV networks cameras rolling and cashing in.

CAUSAL LINKS- MAIN KEY SEVENGATE CRIME SYNDICATE RINGLEADER 'DAME HELEN ALEXANDER' LINKS TO GRENFELL TOWER

EVIDENCE OF HELEN ALEXANDER/ ECONOMIST MAG/ INTELLIGENCE AGENCIES /HAS A FAKE BIOG/ CONCEALS WAS AT BBC / (SMG) / (STV)

- 44)**Causal Link 11** - Please examine the featured article about Helen Alexander just below, which was produced by the BBC, for the very same show that Helen Alexander had produced herself while she was working for BBC and Scottish Media Groups as 'Head of Factual Broadcasting' member of staff.' The causal link here' is that Helen Alexander is connected directly to BBC where the plotline about 'Max' Richard J Hannah was going to carry out his most evil act yet, was seen just two days before Grenfell Tower inferno. Also where the '**Hustle The 'Con' Is On**' BBC production had made other TV drama about her crime rings daredevil evil big money criminal stunts.
- 45)**Causal Link 12** - Helen Alexander is directly connected to Associated TV Networks ITV which is affiliated to STV (Scottish TV) formerly SMG (Scottish Media Groups) where Helen Alexander previous worked and ran her global slave trading racketeering scams with Jim Manson. These networks were also found guilty in the 'Seven versus Gossage and Nine Others court case' and these bosses were also supposed to go to prison 10 years ago.

- 46) These TV networks bosses are also unlawful illegal beneficiaries, collecting unjust enrichments of Seven's stolen Intellectual property and Monetary Estate for the last 14 years. These network bosses have been criminally and illegally withholding our court settlement monies ordered by the British courts years ago.
- 47) **Causal Link 13** - A key causal link here is that '**Lord Grenfell**' 3rd Baron worked as a programme presenter with Associated TV too, of whose family '**Grenfell Road**' and '**Grenfell Tower**' was directly named after. Additionally, as we have already exhibited in this causal link section above herein, to make their evil '**con**' scam even more blatantly obvious, an interview was brazenly published on 13th June 2017 with the very same '**Lord Grenfell**' from Associated TV networks on the very same night that the inferno was started at Grenfell Tower.
- 48) Next please examine the evidence in the link below and you will notice that Helen Alexander has cunningly removed the fact that she worked for both the BBC and Associated TV Networks SMG (now STV) with Jim Manson in her fake career biography below. This is a very key piece of evidence, as this exhibit alone proves that Helen Alexander is a complete utter fraud and absolute con woman of mammoth proportions who has usurped her way into to the very heights of power entirely from horrific crimes against countless defenceless people.
- 49) What she claims below is her career background biography below, in reality, is nothing more than a made up fabricated fictitious invention. Because, in reality the fact remains that she previously worked for the BBC and SMG - Helen Alexander purchased herself a '**Dame**' title with money she has stolen from Seven and no doubt other people she has robbed and terrorized over the years, in order to conceal that she is a fraud wanted for countless horrific crimes against humanity.
- 50) She has tried to deceive/con people that there are '**two**' separate Helen Alexander's and that the one found guilty in our court case for targeting stealing, racketeering and domestic terror, whereby the Judge in the case was suddenly suspiciously found dead at the same time that she and her crime syndicate were suppose to go to prison. was not her, but it is most definitely is her. She fools no-one.
- 51) You will see the elaborate lengths this con woman has gone to conceal her true identity and evil crimes to take over the UK and the entire world.
- 52) It is also important to add, that she specifically selected to become the '**Seventh**' chancellor to gloat that her meteoric rise to fame and fortune was directly off the back of stealing from Seven, usurping her rightful profits, awards and other entitlements for Seven doing highly globally celebrated works. Helen Alexander was envious of Seven, so sort not only to steal all Seven's innovations to claim fraudulent glory for herself, but her whole life to try to turn her into a covert slave.

HELEN ALEXANDER'S BILDERBERG LINKS WITH ZURICH INSURANCE COMPANY FOR GRENFELL TOWER

- a) **Causal Link 14-** Helen Alexander has conned her way to becoming a Bilderberg Chairman usurper. She has chaired secret Bilderberg meetings alongside the fellow Bilderberg 'Zurich' Insurance Company who was the insurance company who were controlling the Grenfell Tower building. View evidence at 1:37:36 on time of video and pause to examine this particular evidence https://www.youtube.com/watch?v=S1_hZXf0eEc
- b) **Causal Link 15-** Video link about the recent Bilderberg meeting agenda 1-4 June 2017 their expressed agenda was to stamp out all our freedoms with extreme prejudice <https://www.youtube.com/watch?v=cxFybEM83JM>

HELEN ALEXANDER RUNS ECONOMIST PUBLICATIONS THAT PREDICTED A TOWER TO BURN ON 14TH JUNE 2017 ON FRONT COVER OF THE MAGAZINE

- c) **Causal Link 16** - Helen Alexander – was also Chairman usurper of the Economist Magazine publication which featured a set of tarot cards predicting the future 'World in 2017' which ran in Jan 2017 edition six months beforehand.

A BREAK DOWN OF CAUSAL LINKS OF ECONOMIST MAGAZINE AND GRENFELL TOWER FIRE AND MASS MURDERS

- d) Please watch the following selected videos evidence to get a full breakdown about the Burning Tower and Death cards that were featured on front cover on Helen Alexander's Economist Magazine entitled the 'World in 2017'
<https://www.youtube.com/watch?v=DUzcqxpBiUo&t=105s>
https://www.youtube.com/watch?v=cFQg2c_dmrk
<https://www.youtube.com/watch?v=y0p3pffgVs>
<https://www.youtube.com/watch?v=NxGpW9lAdo8>
- e) **Causal link 16** explanation - On the front cover of the Economist publication, it boldly featured a sinister tarot card spread and reading '**predicting**' a '**Burning Tower**' alongside a card of Donald Trump whose birthday is on the '14 June 2017' If you watch the video exhibits with evidence just above, you will see the full layout of the Tarot card spread and reading featured.
- f) Directly underneath the '**Burning Tower**' you will see the '**Death Card**'; also featured. This was done to inform us that people were going to die within a Burning Tower (Grenfell Tower)
- g) The very same day of Donald Trump's birthday on '**14th June 2017**' as we all know (exactly as was '**predicted**' and '**featured**' on the front cover of Helen Alexander's Economist magazine publication) hundreds of innocent people were all horrifically trapped inside burnt alive inside the burning Grenfell Tower building on 14th June 2017.

- h) Helen Alexander's Economist magazine cover also featured a tarot card predicting / forecasting mass public demonstrations, exactly as happened after the Grenfell Tower Inferno and Mass Murders.
- i) This is another typical example on Helen Alexander's perverse evil use of '**Operation Mockingbird**' predictive subliminal messaging to rub the crimes she has been doing in her victims and the worlds faces.
- j) This brazen act of putting their real life crimes in plain sight in and splashing the crimes in our faces within widely circulated mainstream publications, Movies and TV shows is the usual barbaric practice of these sadistic psychopaths.
- k) The key SevenGate crime syndicate ringleaders are also well known for using '**Hegelian Dialectic**' principles. Basically they create the problem/ the plotted real life crimes, i.e. they plotted to burn up Grenfell Tower and burn the inhabitant residents alive inside, then they engineered the public's reaction to the problem/their crime at Grenfell Tower, which was to designed to create chaos on the British streets so that they could introduce Martial Law, to lock the entire British nation up and place us all under pre engineered mass curfew. This was clearly their intended pre plotted solution in respect of the public demonstration Tarot card that was also featured on the front cover of the Economist magazine.
- l) This evidence shows crystal clearly that Helen Alexander had cunningly engineered to openly deliberately lie to deceive the world into thinking that Grenfell Tower fire was just a mere accident (caused by a fridge), then even engineered to create mass public demonstrations after instigating the crime, and using their arsenal of SevenGate crime syndicate lawyers, has even pre-engineered to bring in the dead end '**Corporate Manslaughter**' charge as the only viable solution, a solution that ensures that '**none of her crime syndicate death cult members**' would face any arrests, prosecutions or ever having to account for committing such horrific crimes of the century against humanity.
- m) For those unaware, Tarot cards are a widely used divination tool often used for predicting / forecasting future events destined to transpire. The eerie '**Burning Tower**' and '**Death**' cards' featured and forecasted to happen on Helen Alexander's Economist magazine front cover.
- n) The forecasted events were '**predicted**' (plotted) to occur within a six month period from exactly when the magazine was released in Jan 2017, indicating that on the sixth month of this year, which was June 2017 there would be a '**Deaths in a Burning Tower**'. As we all know, this is exactly what factually did occur within the Burning of the Grenfell Tower Block and mass murders on the 14th June 2017.

- o) Bearing the said evidence in mind, the question to now ask is; was the Burning Tower and Death cards that was boldly featured predicted, pre advertised on con woman extraordinaire Helen Alexander's Economist magazine cover, on the very same day that the Grenfell Tower building was burnt up to murder the inhabitants just a mere coincidence?
- p) When we also factor in that this Bilderberg usurper Chairman Helen Alexander is the head of the Economist, is also directly linked and connected to the fellow Bilderberg Chairman of the Zurich Company who ran the Insurance for Grenfell Tower building, we get yet another clear direct causal link and an undeniable connection to the crime.
- q) If we also pay very close attention to what the Bilderberg meeting just 10 days prior the Grenfell fire on 1- 4 June 2017 was about '**Stamping Out All Our Freedoms With Extreme Prejudice**' then the horrific reality of what Helen Alexander and her notorious crime ring undoubtedly did to the defenceless people at Grenfell Tower becomes crystal clear.
- r) So to answer the question, whether or not the Economist magazine's prediction that there would be a '**Burning Tower**' on Trumps Birthday 14th June 2017, resulting in hundreds of Deaths, followed by mass demonstrations by the public in the streets just a mere coincidence? Obviously not.
- s) Besides the ton's of evidence we have meticulously scrutinized and shredded to pieces herein, common sense and logic alone tells us that the '**Burning Tower**' (Grenfell Tower fire) could only have been featured and predicted so precisely and brazenly on the front page of the Economist predicting 'The World we would all see in 2017, because it was being predicted by the very people who had engineered for the atrocities to happen.
- t) **Causal Link 17** - There was yet another 'staged' false flag terrorist attack at an American congressional game which was obviously pre-arranged specifically at '**Alexandria**' to happen at the very same time as 'Grenfell Tower was plotted to burn the residents' alive inside. Common sense tells us in light of all the other aforementioned evidence, this was obviously done to send the world a direct '**operation mockingbird**' message, that it was Helen '**Alexander**' ('**Alexandria**' being the female version of her surname) (along with Richard J Hannah aka Mad '**Max**' and other crime syndicate ringleaders at Associated TV networks) who had given '**the order**' and '**command**' to publically broadcast the residents at Grenfell Tower being publically executed and horrifically burnt to death alive.

CAUSAL LINK - TAMSIN ALLEN /GEOFFERY BINDMAN/ SEVENGATE CRIME SYNDICATE RINGLEADERS LINKS TO GRENFELL TOWER

- 1) **Causal Link 18-** This next causal link is very straight forward to explain but particularly horrific for us to see. Seven wrote a book and movie manuscript entitled 'The Walk' which was on a disc stolen by Tamsin Allen with Geoffrey Bindman at their Bindman and partners offices. View exhibits on pages 35-38 63-64 and 81- 82 The Main/ The Final Report. www.thefarrellreport.net and in the court documents found on **The Appendences** link
- 2) These particular SevenGate ringleaders stole the disc at a meeting Seven had attended with them at their London Kings Cross offices about the taking court proceedings against Helen Alexander, Jim Manson, Richard J Hannah, Christopher Gossage and Tony/David English of Russells after the thefts and illegal racketeering with Seven's Multimedia platform. They gained further versions of Seven's stolen manuscript from a man named Christopher Vaughan who claimed wanted to help Seven stop the crime ring, but instead also joined ranks stealing Seven's scripts to supply Tamsin Allen and Geoffrey Bindman with more of her valuable original IP to racketeer with.
- 3) You can view more evidence about Tamsin Allen and Geoffrey Bindman's role also targeting, stealing and terrorizing Seven, which is explained in detail in the SevenGate video interview series with the Judge Alfred Webre. Links to watch the full SevenGate interview series are also provided herein further on below.

BACKGROUND DETAILS - HOW MANUSCRIPT WAS STOLEN BY TAMSIN ALLEN & GEOFFREY BINDMAN TO USE FOR RACKETEERING & TERROR

- 4) Both Tamsin Allen and Geoffrey Bindman immediately joined ranks with the primary SevenGate ringleaders after stealing Seven's disc containing her manuscript and together they were all illegally trading Sevens innovations and scripts internationally in frenzied racketeering in over 126 countries. After the first batches of successful international sales with her Multimedia platform, now they were selling on Seven's stolen manuscripts as literary works, TV shows and Movie Productions and international campaigns. This is how they were able to quickly expand their global targeting, slave trading and domestic terror operations.
- 5) The causal link in respect of how this all relates to Grenfell Tower- The Manuscript '**The Walk**' that was stolen by the key SevenGate ringleaders Tamsin Allen and Geoffrey Bindman, was dedicated to '**Rachel and Pops Vital**' who just happen to be the parents of '**Marjorie Vital**' and '**Grandparents of Ernie Vital**' who as we know were both were also murdered on the 16th floor inside Grenfell Tower. To evidence go to 1:27:37 time of video and pause https://www.youtube.com/watch?v=S1_hZXf0eEc and pages 35-38 63-64 of The Main /Final Report www.thefarrellreport.net

- 6) Another key significant piece of evidence to be examined in respect of causal links, is another Movie that was put into production in 2015 also called '**The Walk**'.
- 7) This particular Hollywood movie version of '**The Walk**' was put into production while Seven was doing the in-depth interview series about these SevenGate ringleaders and crime syndicate with the Judge Alfred Webre in 2015 at the same.
- 8) It would be very helpful for the Inquiry to also watch this interview series as it will provide further detailed evidence as to the hidden background of how we now arrive in the foul mess we are all dealing with now.
- 9) During Seven's interviews with Judge Alfred Webre, Tamsin Allen and Geoffrey Bindman's criminal and domestic terrorist activities going on at the highly corrupt sinister London law firm Bindman and partners were thoroughly exposed. Obviously this was something that sent alarm bells in the SevenGate crime syndicate camp, as the series had gone viral worldwide, with people contacting Seven from all around the world.
- 10) Seven's case is factually now globally known as the biggest and most horrific Artistic & Intellectual Property Heist Terrorist Theft Crime Of The Century and equally the most horrific evil cover up to conceal it.

BACKGROUND TO THE REPEATED IP THEFT CRIMES EXPANDING TO A CAMPAIGN OF HORRIFIC TARGETING AND GLOBAL DOMESTIC TERRORISM

- 11) At the time of the theft of Seven's manuscripts in 2004 by Tamsin Allen and Geoffrey Bindman, it was clear they had stolen Seven's manuscript at the meeting with them, because the manuscript was based on a true real life biographical account of a close friend Christine who factually went on 'The Walk' in Australia together with a man named Mark. As has already been mentioned in this causal link section, several chapters of the book had included references to our family Roni's Grandparents Rachael and Pops Vital, so the book was dedicated to all of them.
- 12) In the first stolen version of '**The Walk**' sold as a TV movie, which also found its way promoted on the front cover of mainstream Associated TV network publications 2005, they brazenly used the exact same names of the real people Christine and Mark, as the leading characters in the stolen TV Movie version. Obviously to make it known to us that they had stolen the manuscripts and could not give a damn that they were selling it all over the place. The more we tried to stop them, the more violent and evil these people became. When they realized Seven's stolen script was based on a true story, to conceal the crimes they were doing, they even went as far as to bulldoze down the shoe shop that the real story was based around.
- 13) In 2004, directly after this particular theft, (because there have been many other subsequent thefts of other innovations, multimedia productions and scripts stolen from Seven over the last 14 years)

- 14) This particular TV movie version of Seven's stolen script '**TV Walk**' was sold to the very same mainstream ITV network who are also part of the very same Associated TV networks where '**Lord Grenfell**' was a former TV programme presenter and are the unlawful beneficiaries who are terrorizing our family to criminally withhold our Settlement monies.
- 15) They have made untold riches from Seven's stolen manuscript being chopped into sections and also racketeered with internationally as multiple global campaigns that were all being launched from the ITV network to all their other global Associated TV networks and production houses around the world. This was a mega scam of monstrous proportions which they never want the world to discover.
- 16) These campaigns ran internationally simultaneously, all encouraging people around world to give up transportation and go on '**The Walk**', exactly as was factually done in the real life story by Seven's friend Christine and Mark of which the factual biographical account was written about them.

CAUSAL LINK – STOLEN SCRIPT THE WALK RACKETEERED VIA ASSOCIATED TV NETWORKS LINKED TO HELEN ALEXANDER & LORD GRENFELL

- 17) **Causal link 19-** The causal link from the original court case, was that the ITV network are directly affiliated and part of a group together with STV (formerly SMG) which were the direct Associated TV networks that Helen Alexander and Jim Manson's ran their organised IP crime global racketeering and domestic terrorism scams from. Once again the very same Associated TV networks that Lord Grenfell 3rd Baron worked for. Now once again we now see that these very same sinister Associated TV networks cesspit lurking in the mucky background of the Grenfell Tower Inferno / mass murders.
- 18) In the same year 2004, the book version of Seven's stolen manuscript '**The Walk**' was also sold to the BBC network as a literary competition blatantly entitled '**Finish This**' where Helen Alexander also had been a prior member of staff and the Bindman and Partners Law firm had frequently represented the BBC as lawyers for large international Book deals.
- 19) To maximize profits in this scam, this said criminal cartel had brazenly roped in various famous British authors to adapt different chapters of Seven's stolen manuscript, for the nationwide competition '**Finish This**'. While these crimes were happening, in the background they were orchestrating a campaign of non-stop domestic terror with attempts to murder Seven in order to keep the revenue they were racking in from all the large illegal international monetary deals all quiet and for themselves.

TAMSIN ALLEN AND CHRISTOPHER GOSSAGE BECAME PARTNERS AT THEIR LAW FIRMS OVERNIGHT FROM RACKETEERING SEVEN'S STOLEN IP

- 20) For the purpose of clarification, in order for the Inquiry and wider public to get a better understanding to the motive of why these people are behaving in such abhorrent evil ways. It's important to factor in that Tamsin Allen who now describes herself as a '**Super Lawyer**' (code for super criminal) was working as a mere lawyer at the time. She became a partner at the Bindman Law firm literally over night directly off the back of these very crimes against Seven.
- 21) As did Christopher Gossage from the Russells Mafia Media Law firm, who was working at the Russells Media Law firm as a mere clerk at the time of taking Seven on as a client at Russells. He was catapulted to status of Partner at Russells virtually overnight from the revenue generated from Seven's stolen innovations.
- 22) Russells had taken Seven on as a client supposedly to be to protect her Intellectual Property from theft and plagiarism. However, in reality Christopher Gossage and the Russell Mafia boss Tony/David English were actually setting Seven up to be robbed, defrauded, tortured, terrorized and murdered. It is her visit to this very Russells Media Law firm 14 years ago, that form the foundations of the very crimes such as Grenfell Tower fire that we are now dealing with today.

GEOFFREY BINDMAN BECAME FRAUDULENTLY KNIGHTED UNLAWFULLY ON THE BACK OF THE RACKETEERING WITH SEVEN'S STOLEN IP

- 23) It's also important to mention that Geoffrey Bindman was fraudulently Knighted in the UK directly from the stolen monies generated directly from these said global racketeering operations illegally trading vast volumes of Seven's stolen Intellectual Property. It is the extreme levels that this man has gone to conceal his criminal activities, in order to ensure that he and his crime ring can continue terrorizing and slave trading people forever, that has now become a major problem for the entire world to now have to deal with.

BINDMAN & PARTNERS OPEN TERRORISM DIVISION TO LEGALLY GET AWAY WITH TARGETING AND TERRORIZING MEMBERS OF THE PUBLIC

- 24) It is on the back of these very industrial scale global racketeering scams, that Tamsin Allen and Geoffrey Bindman at Bindman and Partners Media Law Firm, had opened a new highly sinister '**Terrorism**' **Division** at their London Media Law firm in 2005. This '**Terrorism**' **Division** at Bindman & Partners was opened on the back of these ringleaders staging London 7/7 attacks 2005 engineered to conceal their said global racketeering crimes at the same time. View evidence on page 68 and 84-88 The Main / The Final Report www.thefarrellreport.net

25)What the public didn't know was that the '**Terrorism**' **Division** opened at Bindmans Media Law Firm was to cunningly misuse the laws in order to pervert Justice to conceal and protect the '**creation**' of '**staged**' **domestic terrorism** and 'not' for the prevention of it. From then on, we have witnessed the birth of pre engineered '**TV staged False Flag Domestic Terrorism as a new covert reality TV Terror/ Horror genre**' ever since. Working directly with Associated TV networks of whom as we know pre script and broadcast these evil snuff productions.

26)Anyone who has ever written a manuscript will tell you it takes years to do. So can you imagine labouring for years on written and innovative conceptual works, only for these low down dirty mass murdering thieves, to steal it all to use it for an elaborate get rich scam to fund terrorizing, enslaving and murdering innocent people?? How dare they! When people say money is the root of all evil, here we see it at its most horrific.

ANOTHER MOVIE 'THE WALK' PUT INTO PRODUCTION 2015 WHILE CRIME SYNDICATE WAS BEING EXPOSED IN VIRAL INTERVIEW SERIES 2015

27)Seeing that the truth about their targeting operations being exposed on the Judge Alfred Webre's widely watched shows, to hundreds of thousands if not millions of people around the world, it was as a direct response to that particular exposure that yet another movie called '**The Walk**' was put into production in 2015 to put two fingers up to the fact that their outrageous crimes had been fully exposed worldwide.

SEVENGATE RINGLEADERS HAVE NO REMORSE FOR VICTIMS & REFUSE TO STOP SLAVE TRADING & DOMESTIC TERRORISM CAMPAIGNS

28)In other words, this was these ringleader usual way of telling Seven and rest of the wider world, once again abusing 'Operation Mocking Bird' subliminal messaging, that these monsters have no remorse and no intention of crediting or paying back the monies, awards credits or court settlements they have stolen. They have no intention of stopping their evil campaign of targeting, slave trading and domestic terror on the public either! As we can see by the horrific evils they have perpetrated at Grenfell Tower two years later, if they are not stopped there will be more Grenfell Towers to watch out for broadcasted live from a Associated TV network near you.

CONNECTING CAUSAL LINK DOTS OF MORE OPERATION MOCKINGBIRD SIGNALLING ABOUT GRENFELL TOWER IN THE WALK MOVIE 2015

29)The synopsis of this particular movie 'The Walk' 2015 was as follows; "**The Walk movie 2015,' looks back at an "artistic crime of the century,"** This in reality was made once again as covert subliminal messaging to secretly signal the SevenGate ringleaders own industrial scale artistic theft crimes, because they knew they were being widely exposed at the same time.

30) The plotline of this particular movie *'The Walk'* 2015 was about a man and his *'illegal gang'* who apparently in 1974 carried out the task of walking on a tight rope to the *'World Trade Centre 'Twin Towers'* , We all know what happened at the world trade Centre Twin Towers.

31) Given what we have discovered by examining the evidence with the movies *'High Rise and Dark Tower'* that had also been put into production the same time as this movie version of *'The Walk'* 2015, connecting the dots it is abundantly clear that this movie was designed to also signal that the crime ring were plotting to carry out yet another daredevil stunt crime on the same scale as Twin Towers but this time on British Soil. The Grenfell Tower Inferno is the UK's twin Towers, hence them bringing in the US 9-11 'Terror Attack' investigations team. This also explains why they had specifically featured the 'two identical towers' on the front cover of the *'High-Rise'* book cover.

32) The Walk movie synopsis states: *An illegal wire walk in the immense void between the World Trade Centre Twin Towers. With little more than nerve and blind ambition, Petit and his ragtag crew overcome daunting physical obstacles, betrayals, countless close calls and overwhelming odds to beat the system and execute their mad plan".* The walk between the twin towers takes truth and turns it into a cartoon

33) Now if we factor in the book cover of the movie *'High-Rise'* was also put into production in the same year 2015 as was the movie *'The Walk'* released September the same year 2015. then reflect back to the image of the two identical towers that were entered into Wikipedia on 25th May 2017, with just one of the Tower blocks displaying that two floors had been completely deleted. Then next factor in that our aunt was singled out to be featured with the 9-11 investigations team, while her direct relative Seven has been the victim of domestic terrorism for the past 14 years exposing the crime syndicate. What does that tell you?

STAGED CHARLIE HEBDO ATTACKS DONE SAME TIME SEVENGATE CRIME SYNDICATE SERIES GOES VIRAL CHARLIE HEBDO MEANS CHARLIE SEVEN

34) In addition to The Walk movie being put into production during this period, these ringleaders also perpetrated the Charlie Hebdo atrocities at very same time too. Hebdo literally translated means Seven days, or Seven =. Charlie Seven Watch evidence here. THE CAUSAL LINKS BETWEEN SEVENGATE CRIME RING AND GRENFELL TOWER INFERNO / MASS MURDERS CANNOT BE DENIED

1) To summarize this causal links section. The evidence in regards to causal links you have now seen for yourselves is overwhelming proof that the Grenfell Tower inferno was definitely no accident. Coincidences like these are *'not'* coincidences.

- 2) What we are looking at is the monstrous crimes being orchestrated by the SevenGate terrorist syndicate ringleaders. The evidence here proves that they were directly involved at the highest levels. Therefore, it is undeniable that the SevenGate ringleaders obviously had a hand in meticulously pre planning the manufactured evil events at Grenfell Tower with detail and precision.

ALL GHOST SCRIPT WRITERS OF OPERATION MOCKINGBIRD MOVIES, TV SHOWS & PUBLICATIONS DEPICTING GRENFELL TOWER FIRE MUST BE ARRESTED TO ANSWER QUESTIONS

- 3) Whoever created the images, artwork and movies '**High-Rise**' and '**Dark Tower**' without question was undoubtedly alluding to let us all know that there was a coming staged Terrorist attack in the UK set to happen on the same massive scale of the US's Twin Towers 9-11 Terrorist attacks.
- 4) Therefore, the person/people behind commissioning these snuff movie productions were obviously also all involved at a very core level, because whoever hired them, played a key role in what eventually transpired. Therefore, everyone involved at every level also needs to also be urgently arrested and investigated and made to answer questions by we whose families have been so horrifically murdered to explain exactly who ordered them to create these murder snuff horror movie productions.

THE RINGLEADERS USE OF GHOST WRITERS TO SIGNAL OPERATION MOCKINGBIRD REAL CRIMES

- 5) The SevenGate crime ring 'always' use aliases and ghost writers in order to embed their 'Operation Mockingbird' subliminal messaging plotlines into thousands of TV shows and movies while they conceal the identities of those who are really behind it. Wikileaks also exposed this foul practice on 4th July 2017 and that there are as many as 1800 TV shows and Movies using these diabolical practices. If there are 1800 TV shows and movies, these will have been followed by a significant number of hidden real life horrific crimes. So the ghost writers of these productions also '*all*' need to also be immediately rounded up and arrested and made to answer serious questions as to who exactly had ordered them to write these vile mega crime predictive snuff horror movie synopsis plotlines. This is the way to get to the bottom of the evil we can all see is going on here.
- 6) The evidence produced herein clearly proves that key SevenGate crime syndicate ringleaders are directly linked to what happened at Grenfell Tower, and that the atrocities that took place were brazenly openly mapped out by these psychopaths well in advance for the entire world to also bear witness to. So there can be no question of these connections just being mere coincidence.

WHY THERE ARE SO MANY PUBLICATIONS, TV SHOWS AND MAJOR HOLLYWOOD MOVIES PRE-DICTING, DEPECTING THE GRENFELL TOWER FIRE WELL IN ADVANCE TO THE LETTER.

- 1) Our investigations have produced tons of evidence proving that there are many major TV shows and big budget Hollywood movies **'all'** depicting the Grenfell Tower atrocities well in advance. This takes what happened at Grenfell Tower into a whole other ball park, rather it just being focused on the RBKC, KCTMO penny pinching activities or just being centred around the Grenfell Tower building. This evidence alone proves that this crime is much bigger and wider in scope, and much more evil than people had originally anticipated. It stinks to high heavens.
- 2) Even if it was a fridge that had caused the fire at Grenfell Tower, which we already know it was not, because there are eye witness testimonies stating that two fire men were called out to attend Grenfell Tower building about a fridge and they went there and made sure that the fridge and flat was safe.
- 3) It was when they were leaving that they said they received a call from the fire station control team informing them that the fire was on the outside of the building, 'not' on the inside. So we know for a fact that the story being circulated by the mainstream media is lies designed to protect the guilty.
- 4) But let's just say 'hypothetically speaking', even if the fire was caused by a fridge, how can anyone possibly account for all the countless big budget Hollywood movies productions and publications all depicting the exact the same sequence of events around a burning Tower exactly as has happened at Grenfell Tower fire in real life to the letter? Even with lead characters called **'Lord Grenfell'** That is an impossibility. Two and Two does not make 18 does it.

THE SEVENGATE RINGLEADERS CONTROL OF MEDIA,HOLLYWOOD AND THE ENTIRE ENTERTAINMENT INDUSTRY.

- 5) **Causal Link 20** - Helen Alexander and her crime ring have literally taken over Hollywood and the entire entertainment and Music industry as well as the Art and Publishing world. That's how and why there are tons of big budget productions about Grenfell Tower going up in flames well in advance before horrifically murdering the hundreds of defenceless residents.
- 6) For over a decade they have been grossly misusing Seven's stolen monies to commit evil. They have not done even one good thing for humanity with all the Billions and Trillions they have stolen. They have caused humanity nothing but pain, misery, death and destruction on account of our stolen money therefore; it must be immediately removed from them. We want all our monies removed from them so that we can help all of their victims.

- 7) These criminals need to be forced to stop lying now and pay back what they have stolen without further delay, because, they are using our stolen monies to bribe people to do their evil bidding. Their evil game has gone way too far and is way out of control.
- 8) This inquiry needs to make emergency recommendations to ensure that all ringleaders are arrested, stopped and removed from having any more access to the public before they harm anybody else. Murdering innocent people in horrific ways may well be just one big massive hilarious game to them, but they need to be made to understand it is not a game for the rest of us.

CRITICAL EVIDENCE RE: SEVENGATE RINGLEADERS PREVIOUS HORRIFIC DOMESTIC TERROR SLAVE TRADING ORGANISED CRIMES

- 1) As aforementioned, we here submit additional evidence about the very urgent video interview series previously done with Judge named Alfred Webre, because these interviews also contain detailed critical prima facie evidence about this notorious crime ring.
- 2) The evidence in these interviews helps to establish motive, and reveals a long track record and pattern of similar types of mafia style bullying and domestic terror that the concerned Grenfell Tower residents had also complained of when trying to address the issues of their safety within the Grenfell Tower building.

CAUSAL LINKS OF THE SATANIC RITUALISTIC ASPECTS OF THE GRENFELL TOWER INFERNO/ MASS MURDERS

- 1) As ugly as it may be to many people, it is no secret that the UK is deeply entrenched with Satanic demonic worship and profiteering from these barbaric ritualistic practices, because this ugly truth has frequently been reported about within the Mainstream media press. From the daily Express Newspaper, The Sun, even the Daily Mirror papers have all reported that Satanism and Satanic crime rings are factually operating all over the UK. So this is an extremely relevant component to examine with the Grenfell Tower case. View evidence at time 48:41 of video link below. Grenfell Tower- Part 4- Special Report
https://www.youtube.com/watch?v=S1_hZXf0eEc

- 2) It has also been flagged up and reported countless times by mainstream press that the notorious Satanist Jimmy Savile was part of a much wider Satanic crime ring that operated at the BBC.

THE PSYCHOPATHIC SATANIC RITUALISTIC CRIMES OF THE SEVENGATE CRIME SYNDICATE TERRORIST KEY RINGLEADERS

- 3) So as we examine the horrific crimes and pastimes of the SevenGate terrorist crime syndicate ringleaders, it is obvious that these are no ordinary run of the mill criminals.
- 4) Firstly, there can be no doubt that what happened at Grenfell was on account of some clearly highly disturbed psychopathic individuals. Something they have even publically gloated about, again using ritualistic 'Operation Mockingbird' subliminal messaging in the movie titled '**Seven Psychopaths**' which was yet another movie production created to mock our efforts to shut their evil crimes and syndicate down. View evidence at time 1:18:39 of the video https://www.youtube.com/watch?v=S1_hZXf0eEc
https://www.google.co.uk/search?q=seven+psychopaths&rlz=1C1GGRV_enGB752GB752&source=lnms&tbm=isch&sa=X&ved=0ahUKEwi7m77F_O3VAhXKK8AKHf2vA9IQ_AUICygC
- 5) Secondly, they are also unquestionably all deeply involved in some particularly gruesome satanic worship practices. Besides the Grenfell Tower Inferno Mass Murders, this can overtly be seen from the evidence of countless other crimes perpetrated by this crime ring over the last decade and a half. Therefore, we also have to take this evidence into account when looking at the why's and where for's of what the Public Inquiry are going to do to address this rotten stinking mess in respect of administrating the firmest most fitting and most appropriate and just laws to stop this evil once and for all.
- 6) To just dismiss the Satanic worship aspect of the diabolical evil done to the residents at Grenfell Tower, because it is a distasteful uncomfortable issue to have to now openly publically address, does not do the victims of these Grenfell Tower mass murders, or any of us other victims on the receiving end of this monstrous evil, justice. Ignoring that these people are murdering people for satanic ritualistic practices does not make it go away. It makes it worse, because these criminals have no limits, no remorse and have no intention to ever stop terrorizing and murdering people.
- 7) This approach equally does not prevent such crimes from happening again. If the root cause of the Grenfell fire was actually a burnt Satanic sacrificial offering to Satan, and then to collect mass profits from what they consider to be a plentiful harvest, it stands to reason that just examining the fridge or the Grenfell Tower building is not going to stop these monsters from perpetrating such evil atrocities again is it.

SATANIC RINGLEADER HELEN ALEXANDER CONCEALS A HISTORY OF ABUSE, BEING AT BBC & DEVIOS ILLEGAL TACTICS TO TAKE OVER GINGER PRODUCTIONS

- 8) **Causal Link 21** - The causal link here is – the key SevenGate domestic terrorist ringleader Helen Alexander as we have already shown was a former member of staff working at the BBC. Although she has tried very hard to conceal this.
- 9) However much she tries to hide this fact, this truth can be easily obtained because it was her who was also the central key figure behind yet another large court case, whereby she used illegal surveillance and equally devious illegal tactics to take down and over the British Media Mogul Chris Evan's company Ginger Productions. View her business card also displaying Chris Evan's former company Ginger Productions. View at time 1:45:31 of the video https://www.youtube.com/watch?v=S1_hZXf0eEc
- 10) Sadly, this was unbeknown to Seven and Lisa at the time of their attending the meeting where she stole Seven's Multimedia platform documents to use for her global get rich quick scam. Because long before the court case 'Seven versus Gossage and Nine others, Helen Alexander already had a track record in the industry of media and entertainment of being an extremely foul nasty thieving piece of work.
- 11) Therefore, the question to ask is; why has she gone over and beyond to change her entire career identity on her resume bio to hide her real background? What and why is she hiding? She is hiding that rather than appropriately crediting and paying hard working people for their time, ingenuity, investment and labour, as is expressed by terms set out in every Broadcasting Act and countless other pieces of legislation, which clearly sets out the rules, laws and terms of her engagement when working for established TV networks and corporations who deal with the public, she has preferred wreaking havoc orchestrating domestic terror, death and destruction murdering a long trail of unsuspecting innocent people to make sure her targeted victims like Seven never get a penny for their stolen property.
- 12) Helen Alexander's preoccupation to get rich by any means necessary wreaking utter destruction to victims along the way, abusing intelligence agencies, abusing the military to assist her to ensure nobody is able to fight back for their stolen terrorized destroyed lives. Right now people are left absolutely distraught, families are totally destroyed, children without parents, parents without children, husbands without wives, wives without husbands and for Helen Alexander and her daredevil dastardly crew running the snuff movie scams from inside BBC and Associated TV networks, it's just business as usual, another day at the office plotting who next to target, terrorize, torture, enslave or mass murder.

- 13) Needless to say, this is an exceptionally sick woman who thinks she can profiteer from causing other peoples downfall and misery to stop the truth of her crimes from ever becoming public knowledge. While she and her crime ring childishly secretly gloat and snigger about all the evil they are doing by blasting it all over mainstream publications, movies and TV productions
- 14) As insane as she obviously is, she undoubtedly knows what she and her criminal gang are doing to scores of people is wrong. They know the penalty and this is precisely why they have instigated one cover up after another in hopes that nobody will ever untangle the huge web of endless lies and treacherous evil that she and her con ring of usurpers are up to. Remember these are Con's who were all supposed to face long prison sentences ten years ago, for crimes that the UK police should have and could have easily stopped over and over and over and over again, many many many moons ago..

RINGLEADER HELEN ALEXANDER AT BBC SAME TIME AS WHEN JIMMY SAVILE WAS INVOLVED IN SATANIC CRIME RING THAT OPERATED AT BBC

- 15) Like Savile, and Hannah, we are looking at the portrait of also an extremely mentally disturbed evil woman, who is deeply guilty of horrific Satanic ritualistic crimes against humanity too. Crimes that she knows were exposed when she was found guilty in the court case Seven Versus Gossage and Nine Others and have been exposed worldwide for well over a decade already. Given she was at BBC at the same time as when Savile was committing his well publicised Satanic atrocities, it is quite probable that she was part of the very same Satanic crime ring that Jimmy Savile was part of at the BBC and that it is this same Satanic crime ring that are still active behind all the crimes we are having to deal with today..
- 16) Although the Satanic ring at BBC has been repeatedly reported, clearly nothing has actually ever been done to arrest any of these evil people or shut their Satanic worship crimes down either. What we can see from the evidence is that these Satanic rings are all still very much active, and holding majority of humanity hostage by control of their mass murder Associated TV network murdering machine. Because these Satanists have been left unchecked literally for decades, and consequently become a beast running wild totally out of control murdering everyone on their selected path. Also needless to say, these criminals must be immediately weeded out one by one if we are to prevent such evils like the Grenfell Tower mass murders from being perpetrated again.

ALL RINGLEADERS WILL BE NAMED & THEIR HORRIFIC CRIMES RECORDED FOR HISTORY BOOKS, SCHOOLS AND UNIVERSITIES WORLDWIDE

- 17) It is obvious that it is Helen Alexander and the SevenGate ringleaders are at the head of this Satanic crime ring, and they all need to be pulled out of these corrupt Associated TV networks and intelligence agencies. Emergency action is immediately required to round up and arrest every single last one of them.

- 18) On behalf of all their victims at Grenfell Tower, 7/7 and all their other evil crimes, we the families, victim, survivors and community at Grenfell Tower shall see to it that every single one of these evil guilty peoples names and their crimes shall be fully recorded for history books and given to schools worldwide, so that everybody knows who they are and they have nowhere to hide their evil faces. The whole world will know every sordid detail of what these evil people have done, so that no such crimes can ever be repeated or perpetrated ever again.

RECOMMENDATIONS- ILLEGAL COLLECTION OF STOLEN REVENUE FROM PEOPLES STOLEN PROPERTY CONTRIBUTING TO HORRIFIC TARGETING CRIMES AGAINST HUMANITY

- 1) It is critical for this inquiry to follow and examine the blood money trail of this evil crime ring. With immediate freezing injunctions placed on all further 'Operation Mockingbird' murder horror snuff movie productions. All worldwide bank accounts of the ringleaders and other crime syndicate members at all levels must also be immediately frozen and shut down to stop them from collecting any more stolen revenue being employed to fund mass murders and domestic terror of innocent members of the public.
- 2) This same immediate action must also be taken in relation to the SevenGate ringleaders illegal collection of stolen revenue from every single one of Seven's stolen global TV productions, innovations, movies and merchandise from her stolen catalogue of innovative works over the last 14 years. Exactly as they were ordered to do during the court case '**Seven versus Gossage and Nine Others**'.
- 3) All settlements must be immediately paid back in full with interest and Seven being properly credited worldwide as the true genuine creator of every piece of work stolen from her and passed off to other criminals. We want all of her stolen awards also immediately returned and removed from the hands of these insane evil serial mass murdering people.
- 4) It is this stolen revenue that has been funding a horrific global campaign of domestic terrorism and slave trading, aimed specifically at targeting innocent members of the global public for far too long. Their barbaric domestic terror slave trading operations must be immediately terminated and permanently shut down to protect all global world communities and populations from further harm.

THE URGENT REASONS TO OBTAIN OUTSIDE MILLITARY INTERVENTION FROM OTHER WORLDWIDE GLOBAL COMMUNITIES & NATIONS

- 5) This horrendous situation concerns the entire global community. So if the UK do not feel equip to carry out the necessary arrests and removals of the SevenGate ringleaders and their Satanic crime syndicate death cult members alone, then then we the families united will call upon the urgent intervention of the international military from other nations who are co signatories to the Geneva Convention. If UK do not want to do it, every other nation has the right to remove these dangerous criminals. The UK doing absolutely nothing to arrest, remove and immediately shut down this criminal network is no longer an option.

- 6) Make no mistake, these SevenGate ringleaders are deep state usurpers and not the genuine rightful owners of any of the illegal monies they are using to bribe co-op, compromise or threaten people. The monies they have belongs to us, and other targeted victims they have also robbed over the years. We demand that 'everything' that was stolen that rightfully belongs to us to be immediately returned back to us. These monies must be removed with the full weight of the law, with every possible measure taken to ensure they never get access to these or any other monies again.
- 7) All SevenGate ringleader's places of work and residence must be immediately investigated with mass confiscations orders to remove all stolen goods, artefacts, properties, Jewellery, Cars, businesses etc
- 8) This Inquiry needs to make an order that any military or private police keeping forces who are currently protecting or helping these criminals to escape just punishment must immediately '**ALL STAND DOWN**' from providing any further assistance or protection. The Grenfell Tower mass murders must be the last final straw.
- 9) We want all of the stolen revenue illegally collected from the stolen royalties, publishing, copyrights and merchandising rights to be immediately returned back to us as the rightful owners.
- 10)We demand an immediate public apology to be printed within all the world mainstream press, Met police services for subjecting our family to 14 years of hell on earth evil,
- 11)We want immediate publically announced injunctions to be immediately enforced and placed upon all the SevenGate ringleaders and crime syndicate members complicit in this long evil trail of endless terror, death and destruction.
- 12)We need this inquiry to provide us with assurances that every step and measure will be taken to ensure that all SevenGate ringleaders will all permanently get out of our lives now forever, and leave all of family members, friends and colleagues and business associates permanently alone and take their evil Nazi domestic terror targeting slave trading operation with them.
- 13)It is imperative that freezing injunctions Orders be immediately urgently placed upon all ringleaders and crime syndicate members bank accounts to be implemented forthwith to prevent these very sick people from ever committing such evil atrocities to anyone else ever again
- 14)The horrific scale and nature of these crimes, require emergency Grand Jury criminal trails nothing less than on the scale of what took place at Nuremberg during Nazi Germany

THE TWO SPECIAL URGENT REPORTS WITH THE HIDDEN TRUTH ABOUT GRENFELL TOWER FIRE

- 10) We recommend that you watch all of the two special video reports about Grenfell Tower referred to herein

Grenfell Tower – Part 3 - Special Report

<https://www.youtube.com/watch?v=hul6xeJrm9I>

Grenfell Tower- Part 4- Special Report

https://www.youtube.com/watch?v=S1_hZXf0eEc

IMPORTANCE OF READING ALL OF THE COMPREHENSIVE REPORT ON SEVENGATE CRIME SYNDICATE RINGLEADERS

- 1) We also recommend that the Inquiry also takes the time to read the full comprehensive report and Appendences compiled by a former Top senior police criminal intelligence analyst with over 17 years experience who had previously worked at the UK's South Yorkshire police.
- 2) Also the Inquiry must recognise these ringleaders are likely to instigate other atrocities and false flag domestic terrorist attacks around the world as the evidence about their long list of crimes against humanity now surfaces.

CONCLUSIONS- WHAT HAS NOW BEEN FIRMLY ESTABLISHED FROM THE EVIDENCE

- 1) It is important to conduct this Inquiry from the fixed position that Grenfell Tower Inferno and the mass murders of hundreds of people was no accident. It was pre planned, pre scripted, pre meditated without an ounce of concern for anyone in the building.
- 2) No-one should help provide escape routes to help these deeply disturbed criminals to cover their evil up this time. It is clear that all those who perpetrated the Grenfell Tower atrocities are all people in dire need emergency psychiatric mental health treatment. In order to stop them further harming the public, the whole sordid truth must now be openly told.
- 3) The first port of call is to immediately arrest all offenders and for every measure to be taken to ensure all victim/survivors are immediately helped to rebuild their lives in peace with dignity. All who perished must be named to that families can put out dead to rest. The despicable way the Grenfell Tower survivors still continue be treated is absolute disgrace that must be corrected as a matter of urgency.

URGENT REASONS FOR CRIMINAL CHARGES TO PROTECT PEOPLES SAFETY IN UK PUBLIC AND WIDER WORLD FROM FURTHER ATROCITIES

- 1) Evidence submitted herein, clearly proves that this '*is not*' a basic civil matter, it is a deeply criminal matter of mammoth proportions that should have already been heard at the Old Bailey weeks ago.
- 2) Therefore, the Corporate Manslaughter charge must be squashed and replaced by urgent Criminal Charges that mete out the most severe appropriate and fitting punishment using the full weight of the law for all those responsible.
- 3) This Inquiry has an immediate duty and responsibility to recommend provisions that will ensure that the people in Britain and equally, from the public all around the world, will be safe from further harm being perpetrated by these dangerous evil criminal ringleaders:

KEY ISSUES TO BE TAKEN INTO ACCOUNT IN THE RECORD OF FINDINGS

- 4) What this Public Inquiry must take fully into account when writing the report and making the findings recommendations::
 - a) Grenfell was not an accident it was a act of unprecedented evil
 - b) Hundreds of people have been horrifically mass murdered
 - c) Those who escaped and survived have been severely traumatized
 - d) Hundreds of people like us have lost family, lost friends, lost their homes, lost all their material possessions
 - e) Victims/survivors are likely to suffer from acute trauma for a considerable period of time.
 - f) Adequate Long term financial provisions must be respectfully given to all survivors.
 - g) People were burnt alive to such an extent that in some cases, there is absolutely nothing of left of them apart from ashes. Consequently, it is only just and fair that the punishment for those who perpetrated such an evil, should be of equal magnitude and proportion.
 - h) This Public Inquiry needs to make emergency recommendation's to ensure that the full weight of the law is applied to appropriately and proportionally remedy this horrendous situation.

- o) *'Deliberately'* choosing the Radyon cladding company to be awarded with a 65 million pound contract to clad even more London social housing property's this time in the London Ealing area just six days after this company had helped to mass murder hundreds of residents inside Grenfell Tower already

PRIMA FACIE EVIDENCE IN THIS CRIME REPORT ENOUGH TO SECURE IMMEDIATE MASS ARRESTS OF ALL RINGLEADERS & CRIME SYNDICATE MEMBERS

- 1) What we have brought forward is enough Prima Facie evidence to secure the mass arrests and permanent immediate closure of this evil satanic crime ring for good. Yet this evidence is only the very tip of a massive iceberg of unbelievable evil which every single person reading this submission has a duty to ensure that it is immediately stopped from harming and murdering even more innocent people.
- 2) It is imperative that the perpetrators of these atrocities are immediately arrested with every single place that they dwell, inhabit or reside worldwide to be immediately investigated. We also demand freezing injunctions of all beneficiaries capitalizing from the proceeds of this horrific crime

EVIDENCE PROVES THE GRENFELL TOWER FIRE WAS DELIBERATE PRE ENGINEERED ACT OF EVIL AND DOMESTIC TERRORISM

- 1) Please note that the evidence we have produced herein is already widely available, and has also already been seen by millions of people around the world outside of this Inquiry. Therefore the Inquiry has to be tailored to the material facts already seen herein and acknowledged by the rest of the world.
- 2) Evidence makes it clear that those responsible not only wanted hundreds of Grenfell residents to die, but they also wanted to ensure that they died in the most horrific painful vicious malicious way imaginable then profit from it. Consequently, this is a crime warranting nothing less than Capital punishment.
- 3) Realistically, based upon the material evidence, it cannot be convincingly further argued that the fire happened as the result of any accident by a fridge. For anyone to attempt to continue along that line at this point would be a gross insult to everyone who has investigated this and also suffered intelligence, and will immediately place that person/people under suspicion of complicity.

REAL REASON FOR THE GRENFELL TOWER INFERNO AND MASS MURDERS

- 1) Grenfell Tower fire factually happened because a bunch of no good, exceptionally evil, highly corrupt, insane, extremely deranged dangerous greedy people with some extremely disturbing satanic beliefs and ideologies, in need of immediate emergency psychiatric intervention and removal from the public, clearly all wanted these residents to all be burnt alive in the most horrific way imaginable, with no means of getting out alive of what evidently was a very carefully meticulously pre engineered and manufactured nightmare snuff horror movie broadcasted to the world for sadistic pleasure

MASS ARRESTS OF THE DANGEROUS RINGLEADERS NEEDED TO SECURE THE PROTECTION OF WITNESSES OF GRENFELL TOWER INQUIRY

- 1) All provisions must be taken to ensure all our families, friends and colleagues and witnesses to be able to conduct their lives and these inquiries safely by making the necessary emergency mass arrests of all ringleaders and crime syndicate cult members without delay.

PARTICIPATION - OUR IMMEDIATE CONCERNS ABOUT THE PUBLIC INQUIRY

- 1 We are deeply concerned there will be no transparency and that our hard evidence produced herein will be systematically covered up as per usual. It is important that this Public Inquiry places the emphasis on resolving this problem at the very root regardless of how shameful the sordid truth of these crimes may be deemed to be to the UK as a state or country as a whole.
- 2 We are deeply concerned that those on the Inquiry panel have much more in common '*culturally speaking*', with the majority of the parties who have perpetrated these atrocities, rather than with the majority of those of us affected by it. So naturally, we feel the panel are much more likely to be inclined to conduct the findings in favour of seeing more the perpetrators point of view, purely based on them being kin folk.
- 3 It is very important that this inquiry is neutral, to avoid any possibility that there will be any 'Serious Conflict Of Interest'.
- 4) Respectfully, we have to be honest, but there urgently needs to be much more diversity on the panel, because it is already being perceived as being conducted on a old outdated 'white supremacy slavery model', and given the magnitude of what we are dealing with, and cultural heritage of the majority us who are affected. Given that those who perpetrated the Grenfell atrocities being slave traders, the very notion that this inquiry is being run on such outdated models is deeply offensive to us as Sovereign individuals.
- 5) it is also very important for the inquiry to be inclusive rather than divisive, with no possibility of discrimination or favouring 'majority' of those responsible on the basis of any of them being kin folk.
- 6) We assert this respectfully, because this is how the current selected line up on inquiry panel is being perceived to the rest of the world. People are not happy with it at all to be honest.
- 7) We have had absolutely no part in the selection process regarding '*any*' of the panel members. They were not selected by we the public and if the Inquiry is to be truly Public led they need to be.

- 8) We know absolutely nothing about any of those involved in the current panel whatsoever. This is obviously of major concern to us. We have no way of verifying that all current panel members are completely neutral, have no conflicts of interest and have our best interest at heart. Because as you will see for yourselves by the evidence provided herein: our best interests have '**never**' been considered in the UK before.
- 9) It's not personal to anyone in particular on the panel don't get us wrong. But culturally speaking, '**under civil procedural rules**' there is an obvious definite '**unequal footing**' and rule number one says '**the overriding objective**' of **the law is to do justice**', and we personally feel it's impossible for justice to be done with such an obvious unfair disadvantage from the get go.
- 10) Therefore respectfully, as this is a '**Public Inquiry**' and we are not your slaves, we require to select our own handpicked professional panel members to be included on the Public Inquiry panel team and participation process.
- 11) The mere fact that nobody has been arrested already despite one of the most horrific mass murders ever to be committed in the United Kingdom, also signals to us there is already a deliberate attempt in play to prevent arrests and prosecutions of the guilty.
- 12) If this is allowed to happen, you will be further endangering the global public at large, as there already reports about new Terrorist attacks going on which are potentially being carried by this very same crime ring.
- 13) There is a duty to ensure that this public Inquiry is really truly controlled by we the Public in the true sense of the word, without an ounce of discrimination, racism and prejudice of those of us severely adversely afflicted by this barbaric abominable crime ring.
- 14) So respectfully, given the magnitude of what we are factually dealing with, we believe that it is way beyond the scope and remit of what the current one single Judge will be able to handle, which we believe will affect his ability to hear this case fairly and deliver the most appropriate fitting remedy and justice.
- 15) Therefore, it is important that we the people who are directly affected select our own handpicked totally transparent Judges to include them into the participation process.
- 16) For a crime such as this with such a vast scale and magnitude, which obviously covers wide parameters and areas of law, one single Judge on the panel by himself is no way sufficient.
- 17) Therefore, this Public Inquiry must be immediately extended to include a panel of no less than 5 culturally diverse honest Judges, known for fairness transparency and a reputation of hearing cases with the upmost integrity these Judges must be brought in from diverse ethnic communities.

18) Given the unprecedented scale and nature of what we have been subjected to, we need to have a much more integral role in the process of remedying this situation. Therefore also want to be copied in to the full and participate at a core level and be able to give live testimony.

We know and believe that the evidence provided our here proposition is factual and absolutely true.

Seven, Roni Nicholas and other direct family members of Marjorie and Ernie Vital
