

DEPOPULATION VAX: Trial subjects injected with coronavirus vaccines suddenly test positive for HIV – updated <https://depopulation.news/2020-12-11-trial-subjects-injected-with-coronavirus-vaccines-hiv.html>

Any mRNA vaccine will cause the effect of the destructive RNA interference (Noble Prize 2006), since all proteins in SARS-CoV-2 are homologous to human proteins except for one. The effect of the destructive RNA interference will happen after any kind of mRNA vaccine, whether the vaccine has some proteins of the RNA virus, a live virus, or a weakened virus.

[16/12 14:27] Magnus Olsson: We are said that SARS-CoV-2 has four genetic inserts of HIV. That is why the Australian SARS-CoV-2 vaccine has already caused the “false” positive HIV infection. But there is more than that. HIV is the “human immunodeficiency virus”, that is, the virus that causes AIDS (autoimmunity). HIV virus is a retrovirus. All retroviruses are human immunodeficiency viruses. They all cause autoimmunity, since they inbuild themselves into our DNA in order to reproduce. That is why our immune system attacks itself. All RNA viruses are retroviruses. They do not have their own DNA, and that is why they use human DNA to reproduce. And SARS-CoV-2 is also an RNA virus. This means that it is the retrovirus, and, in fact, the variation of HIV virus. SARS-CoV-2 looks the same as HIV in electronic microscopy. And SARS-CoV-2 will cause AIDS when introduced into human blood stream. To conclude, with the global mass immunization, we will get the global mass spread of AIDS, with all the issuing consequences. It is clear that this is done right before the next global war – to weaken. Then, the “second” pandemic will start, which is already announced by Bill Gates. When majority will be infected by AIDS.
