

Peaceinspace.org MEDIA UPDATE Monday April 19, 2021 - The Natural and Common Law Tribunal for Public Health and Justice at www.peaceinspace.org, together with The International Association to Confront Coronavirus and Global Violations Officials (I.A.C.C.O) at <https://www.iacco.fr> and the Canadian Institute for International Law Expertise (CIFILE) at <https://cifile.org/> jointly decided on Saturday April 17, 2021 to file a communication with the Prosecutor of the International Criminal Court (ICC) at The Hague <https://www.icc-cpi.int/> giving the ICC Prosecutor sufficient grounds to open an Investigation into the 2020-2021 Pandemic as a violation of Articles 5, 6, 7, and 8 and other Articles of the International Criminal Court Statute, which 123 State Parties have ratified. The Peaceinspace.org Tribunal, IACCO.fr, and CIFILE.org will issue details of this initiative once a communication has been filed with the International Criminal Court Prosecutor. Until then, no further details can be released. Thank you.
