

## The Younger Dryas Comet - Part 2

By Edward Spencer

The Younger Dryas Comet (Part 1) can be found at  
<http://tinyurl.com/huqyvmu>

I made a huge error in Part 1 concerning UFOs. UFOs exist as hardware manufactured right here on Earth. This is probably one of the major ongoing cover-ups, another is advanced electronic intrusion into our brain/mind as described by Robert Duncan in: *The Matrix Deciphered, and Soul Catchers*. I thought that many UFO sightings were actually images placed in our brains and I still don't know to what extent this is true.

Re-encounter of Earth with large Comet fragments in the Taurid Stream in the near future is likely. Astronomers have expressed concern regarding Earth colliding with some of these large fragments, which can deliver megaton explosions. Graham Hancock, working from an archaeological perspective, has found that reliefs on pillar 43 at Göbekli Tepe, the Sphinx Pyramid complex at Giza, and the timing of the Mayan Calendar point to the astrological time we have entered. This might be shrugged off were it not for the disordered state of the world, and the fact that the New World Order (Breakaway/Parallel Civilization), is prepared to survive such a catastrophe while we are not.

Dear Gordon Duff and all readers of Veterans Today:

This is a plea to everyone to consider, debate, and study, the concept that what is happening to us is a war of civilizations. The Ancient Ice Age Civilization, which was knocked down by the Younger Dryas Comet 12,800-900 years ago, is attacking Human Civilization, which began to develop after we were set free by the Comet.

Note: The remarkable technological advances described below are developed by the minds of men, but by men blinded by a system of hyper-compartmentalization, secrecy, need to know, lies, disinformation, and ignorance. Military technology, warfare, police brutality, currency failure, dumb down education, primitive medical care, adhesion contracts, Admiralty Law on Land, Masonic courts, hand signals in court, are ultimately attacks on human civilization, and it is planned that way.

Here in the former united States of America we don't have a government, we are under the heel of a corporation since 1871: THE UNITED STATES OF AMERICA, and this Corporation went bankrupt in 1933. (References at

## The Secret Space Program

The high probability is that human civilization will be destroyed by re-encounter with large comet fragments from the Taurid Stream. The Secret Space Program has likely already put this mechanism in place. Using the 400+ trillion USD embezzled by the Parallel/Breakaway Civilization, they have built huge UFO space ships operating on physics principle unknown to us, and have the capacity to go out, catalogue comet fragments, and redirect the orbits.

## Huge underground Bases Exist

They have excavated huge underground and under ocean floor bases. These are three or more miles beneath the surface of the Earth. They are ready for the comet fragments, but we are not. (Richard Sauder: *Hidden in Plain Sight*)

## Electronic Mind Sway/Control

They have also developed a sophisticated electronic system of mind influence/control able to sway us into making poor judgments, which we think are our own. They, through their human agents, can tamper with our emotions, whisper subliminally into our brain with our own voice, and do all this from a distant unknown location. (Robert Duncan: *The Matrix Deciphered, Project Soul Catchers*)

We are all subject to this form of attack, but there is also the group of humans known as Targeted Individuals. These are primarily women living alone, suffering from voices chattering in their heads 24/7, electric shock feelings, muscle jerks, sleep disturbance, and ill health. They are also “gang stalked” by people who have descended to the subhuman state where they spend their time gawking, following, harassing, breaking and entering, and vandalizing the property of these women. This is Zersetzung, the imposition of corrosion and decay as practiced by the East German Stasi, and probably by the Ice Age Civilization for thousands of years.

The critical concept here is that the Ice Age Civilization was/is dominated by human like non-humans, who are Big Brain Hominids endowed with mathematical and organizational ability, but devoid of ethical and artistic capacities. *Homo capensis* had an average IQ of about 149, with 10-15% of the population at IQ 180 or more (Lynch and Granger: *Big Brain*). They mapped the entire earth using spherical trigonometry, built Adams Calendar in southern Africa, including a rough stone array that marked Orion’s Belt as it appeared on the horizon 160,000 years ago.

One can see at Adams Calendar the mindboggling absence of artistic ability.

Then, they went north and constructed the Pyramids in the formation of Orion's Belt at Giza, where it is likely we provided the muscle. They lived all over the earth as we can see from their widely dispersed large elongated skulls.

They know the Homo sapiens mind and how to manipulate it, especially as they are skilled at controlling the human psychopath, or rather we should say the Para Homo sapiens psychopath. After all, what *is* wrong in the Oval Office, 10 Downing St, The European Union, and other halls of power? ### Extraterrestrials v. Cryptoterrestrials

Why not Extraterrestrials, why isn't this the doing of aliens from elsewhere? Enrico Fermi, Edward Teller, and other physicists in 1950 could not find Extraterrestrials. At lunch Fermi asked: "Where is everybody?" This discussion lead to the Fermi Paradox.

[https://en.wikipedia.org/wiki/Fermi\\_paradox377](https://en.wikipedia.org/wiki/Fermi_paradox377)

The basic points of the argument, made by physicists Enrico Fermi (1901–1954) and Michael H. Hart (born 1932), are: There are billions of stars in the galaxy that are similar to the Sun,[2][3] many of which are billions of years older than Earth.[4][5]

With high probability, some of these stars will have Earth-like planets, [6][7] and if the Earth is typical, some might develop intelligent life.

Some of these civilizations might develop interstellar travel, a step the Earth is investigating now.

Even at the slow pace of currently envisioned interstellar travel, the Milky Way galaxy could be completely traversed in about a million years. [8]

According to this line of thinking, the Earth should have already been visited by extraterrestrial aliens. In an informal conversation, Fermi noted no convincing evidence of this, leading him to ask, "Where is everybody?"[9][10] There have been many attempts to explain the Fermi paradox, [11][12] primarily suggesting either that intelligent extraterrestrial life is extremely rare, or proposing reasons that such civilizations have not contacted or visited Earth.

### List of alleged extraterrestrial beings

[https://en.wikipedia.org/wiki/List\\_of\\_alleged\\_extraterrestrial\\_beings](https://en.wikipedia.org/wiki/List_of_alleged_extraterrestrial_beings)

We went from zero ETs in 1950 to more than nine ETs at this time, and they seem remarkably unsophisticated.

If the Breakaway/Parallel Civilization is one hundred plus years ahead of us, how did that come about?

The "Einstein Terror" spikes physics

We have been trained to think of Einstein as a great, almost mystical genius, but this is far from the truth. He plagiarized the work of Lorenz and Poincare and anyone who criticized him was subjected to an intense public relations attack by the forces of the Zionists Jews. This was the Einstein Terror.  
(Christopher Bjerknes and others: <http://tinyurl.com/zazyz6s>)

The effect of all this was to set physics back one hundred plus years for us, so we're sitting here exposed to whatever the Parallel Civilization does to us, and it looks like they are going to rain comet fragments down on us.

Was this all planned far in advance? I think so as the Ice Age Civilization has known about the Comet since it first appeared in the inner Solar System 20-30 thousands years ago and began to break up. They excavated huge underground bunkers by manual labor long before modern tunneling machines were available. They didn't have what it takes to stop it 12,800-900 years ago, even though they had been around for hundreds of thousand years, but when Maxwell, Lorenz, and Poincare came along they were ready with vast embezzlement schemes, and their incredible system of hyper compartmentalized, unquestioning, psychopath leader controlled human minds.

Do you share my feelings of betrayal? Einstein's physics is a Hoax just as the Holocaust is a Hoax (*The Hoax of the Twentieth Century* by Arthur Butz). Take a look at New Energy Technology below:

Orion is a reoccurring theme that ties in the Ice Age Civilization.

First: We have Orion's Belt marked by the array in Adams Calendar indicating a time frame more than 160,000 years old.

Second: There is a small pyramid near Adams Calendar and on the same line of longitude North at Giza is the Great Pyramid, with the Pyramids arrayed in the formation of Orion's Belt.

Third: Stonehenge is associated with Orion.

Stonehenge: Womb of Earth, Doorway to Orion  
<https://grahamhancock.com/burleyp2/>

Fourth: We have the paragraph from Keel's book below telling us Orion is a source of evil:

In modern UFO Contact lore, beginning in the early 1950's, the constellation Orion is frequently cited as the home of "evil spacemen" who are planning to take over the earth. A famous British contact, Arthur Bryant, claimed that on April 24, 1965, A UFO occupant informed him that "forces from Epsilon are already here in the form poltergeists." Epsilon Origins is the central star in the Belt of Orion. The Bible and many other ancient works seem to imply that Orion harbor a malevolent force while the Pleiades is the home of the "good guys."

One of the book reviews on Amazon provided this enlightening bit of information.

*Operation Trojan Horse* by John Keel: *The Classic Breakthrough Study of UFOs*

Tyr Shadowblade (TM)

You see, shortly after the 1970 version of this book was published, Mr. Keel was not only "contacted" by the subjects of his research -- they refused to leave him alone! As a result he was driven insane. This is most clearly evident in his later work, "The Eighth Tower." A few of Keel's other works ("This Haunted Planet" and "The Mothman Prophecies") are noteworthy, but not in the same class as OTH.

The paragraph above reveals that John Keel became a targeted individual, a recipient of over the horizon capture of whole brain EEG, EEG heterodyning, and implantation of thoughts, sounds, visions, sounds, emotions, in his head. This was his punishment for being on the right track. "Alien abductions" can be performed with this technology

I was remiss in my study of UFOs, having been thrown off the scent by blurbs

designed to do just that. I have a lot to catch up on. Mothman had to be an experiment carried out in West Virginia, an experiment that brought down a bridge killing lots of people.

### WHAT ARE WE TO DO?

If this thesis is correct: The Ice Age Civilization, which is all around us lurking in the minds of bamboozled men in secret societies, religions, central banks, military, police, armament industry, and is physically underground, has devised a plan to take out human civilization and reduce the human population to Georgia Guidestone levels (500,000,000 totally without independent thought or action), and this will be done by directing the orbits of hundreds of comet chunks to hit specific targets. We are on a timetable and must act now.

Our weapons are our ethical loving nature, which has been ruthlessly suppressed by pseudo government, and our intelligence, creativity, and ability to communicate, which have been suppressed by deceptions, lies, Fluoride, vaccinations, EMR saturation, poor nutrition, poverty, dumb down education, complicit media, and pseudo government. **This is a battle of mind control v. independent creative thinking, of ethics v. psychopathic behavior, of truth v. deception.**

Barefoots World- <http://www.barefootsworld.net/> and [anticorruptionsociety.com](http://anticorruptionsociety.com) are good reference sites regarding the issue of corporate pseudo government replacing legitimate representative government.

Men and women need to work together to reach sufficient numbers that will attract attention. We need to take over the Secret Space Program. After all they embezzled the money from us so we own all that hardware, plans, and computer programs. The same for the underground and under ocean floor bases. They are ours.

Children should be brought into the discussion as soon as appropriate as, of course, they too are under attack. The whole tyrannical evil system is held together by deception, so truth, which is disclosure, will dismantle it.

The Battle Plan of the Ice Age Tyrants is *The Protocols of the Learned Elders of Zion*. This consummately evil document should be studied.

The men involved in Chemtrail spraying are upset at what they are doing, and this goes for the men in Jade Helm and other tyranny/genocide programs. They need to know whom or what they are working for. **Chemtrails, HAARP, and our saturation by EMR must be shut down.**

Jews are in the best position to help everyone understand the process of

bamboozlement that has programed all of us, as it has hit them especially hard. The process will be painful but necessary.
